

Love Through Time and Space

Chapter 36

Why do you feel abandoned again?

Aspen Li guarded the door and saw Emily Gale coming out and immediately greeted him.

"Madam, that...no matter what, today is your engagement day. I hope that Madam can... cheer up, that..."

He hesitated a bit. This agreement was drafted by him, and of course the content is also Be clear.

A girl was told on the day of her engagement that she and her fiance were only acting for the elders.

In other words, there can be no real feelings in the future.

This kind of thing, for girls, must be a big blow.

He was a little worried that Mrs. Young would not be able to bear such a blow.

Emily Gale blinked at him, a little puzzled: "I'm in good spirits, what's the matter?" "Mrs. Young..."

Aspen Li studied her expression, his eyes were shiny and the corners of his lips were slightly curved, as if... Strong face and laugh?

"You..."

"Aspen Li, when did you become such a mother-in-law? If you have something to say, hurry up!" At seven o'clock, there is still an hour left, and the engagement banquet will begin.

She is only engaged, not married, and the ceremony will not be too grand.

We will go through a cutscene later, and at the announcement of the old man and the host, exchange the engagement ring with Master Jackson.

There is still an hour left, and she hasn't eaten enough food yet!

Aspen Li was hesitating. In fact, he just wanted to comfort him.

But, why did Madam Shao look so clear that she didn't need his comfort at all?

"Forget it, if you have something to give me information, I will go down first."

Emily Gale decided to leave without waiting for him.

I took a look at the time displayed on the phone, at 7:05, I will be here soon today.

As long as you survive tonight, Xiaomi's tragedy will not happen.

Now, there are only more than four hours left until 12 o'clock.

As long as Xiaomi does not leave the school, everything will be fine.

Half an hour ago, Xiaomi also sent her a text message saying that she would eat instant noodles in the dormitory.

Looking back, we must treat her to a good meal as compensation.

Emily Gale leaped into the elevator all the way, but Aspen Li felt more and more incredible as he watched.

Walking to the entrance of the lounge, the eldest master was sitting in a chair, smoking a cigarette.

The agreement clearly signed the young lady's name, but why did the young lady look excited, but the purpose of achieving the happy eldest young master seems a bit... melancholy?

"Young Master."

Aspen Li walked in and packed the agreement.

Sure enough, the name has been signed. Signing this agreement means that the young master does not need to be entangled by the young lady. Isn't this a good thing?

"Madam young..."

Aspen Li paused before continuing: "It doesn't seem to be sad, young master, I don't think the young lady will entangle you in the future."

"Meaning, my charm has gone backwards."

To this point

, She is not interested in me at all?

"Joseph's eyes sank, and Aspen Li suddenly felt a chill in his back. What...what do you mean? What does the young master look like...a abandoned woman? Aspen Li shook his head. I suspect that I was wrong. Look again, the eldest master has opened the notebook and continues to be busy.

The discomfort that flashed just now does not seem to exist.

It should, probably, seemingly, maybe... really wrong. Right? The young master has always hated the entanglement of women the most. Now the young lady has made it clear that she will not entangle him, she should be happy.

It must be just that he read it wrong! Aspen Li sighed in relief and changed a smile: "Young Master" "very funny?"

"The man squinted his eyes.

"Uh!"

"Aspen Li's scalp numb suddenly: "No, it's not funny..."

"This agreement will be copied a hundred times and will be completed tomorrow morning."

"Hunter Jackson closed his notebook and stood up," he wrote by hand.

"Lord, young master, why?"

"Aspen Li's legs softened, and he almost knelt on his knees, "Is there a problem with the association and the agreement?"

Hunter Jackson stared at him coldly, this gaze was like tearing him away! Aspen Li was staring at him coldly and back again, "I'm copying, I'm copying, it must be finished tomorrow morning!"

The eldest master asked him to copy him as soon as he copied it, and dare to ask why, isn't this a case of death? It must be because his ugly writing makes the eldest master unhappy. But the agreement is printed... a hundred times, Hey, who did he offend whom? Hunter Jackson was a little irritable, walked to the window, looked at the night outside, slapped and lit another cigarette. That girl signed the agreement, she was so happy? She is not allowed to pester herself, why doesn't she even have a little sad expression? Is she making a smile? But the damn thing is, he can't tell that she is smiling falsely! She is obviously really happy! It's because of her ten points Is it because he said that after getting engaged, they will have their own separates and will not affect each other? What irritates him most is himself! He got the ending he wanted, but there is a feeling of being abandoned.

Abandoned... simply inexplicable ... Emily Gale had just brought a small plate of cake, but had not found a place to sit down. Suddenly, there was a slight commotion at the entrance of the hotel lobby.

The men's eyes swept over and saw from the door.

At least half of the girls who came in had the eyes of at least half of the men glowing. Kylena Gale is here.

She knows how beautiful her sister is, otherwise, she would not win the title of the first lady in Beiling. However, this has something to do with her. What's the relationship? Emily Gale took the little cake, sat down in the corner, and ate for himself.

"Compared with your sister, you are like a puddle of mud on the ground.

"Suddenly, one

The voice of disdain rang around.

Emily Gale looked up and looked at Daniel Jackson with disgust.

She was not angry, but smiled: "Second Young Master, is your stomach hurt?"
Your stomach hurt!

"You!" Daniel Jackson's face sank, and he almost couldn't help but go crazy!

This is the shame of his life!

Hunter Jackson punched him directly in front of so many people!

He breathed a little heavy, his fists were squeezed tightly, he couldn't wait to punch the ugly woman in front of him to smash the teeth!

But he knew that the girl was so ugly, but when he saw her, he couldn't help coming over.

I don't know which muscle in my head is twitching, and I am always confused by her figure.

But every time she saw her face clearly, she immediately became sober.

"Ugly girls are a lot of mischief, don't think you will have a good life when you marry into Jackson's family, I won't let you live comfortably!" He snorted coldly.

Emily Gale blinked a pair of innocent big eyes and stared at him: "It's so strange!" "What's strange?" This damn wild girl, how could she have such beautiful eyes!

Do not!

This face is so ugly that people can't eat!

Daniel Jackson quickly cleared himself up.

Emily Gale smiled and said, "It's Jackson Da Young, not Jackson Er Young, who is engaged to me. So, what does my uncomfortable life have to do with Jackson Er Young?" Her eyes were filled with innocent smiles. Obviously it looks a bit stupid, but why is that lustre now so wise?

Without waiting for Daniel Jackson to return, Emily Gale smiled again: "Isn't it weird that you said you want to make me feel uncomfortable? Don't you still want to be engaged to me instead of your elder brother?"

Chapter 37

Ugly people often make trouble.

"What nonsense are you talking about? How could I be willing to be engaged to an ugly guy like you?" Daniel Jackson was almost vomited to death by Emily Gale's words.

Emily Gale smiled and shook his head: "You are wrong, not that you are unwilling, but that you are not qualified."

"You are so cheap..."

Daniel Jackson's face sank, and he was so angry that he could not pick up the plate on the table. Follow Emily Gale's head and drop it.

However, there are all guests around, and if he dares to make trouble at his elder brother's engagement banquet, the old man will definitely not forgive him!

Daniel Jackson didn't expect that this dead girl's few words could make him almost out of control with anger.

Where did you learn this sharp-toothed mouth?

Before, he was so stupid to death!

"I don't need to talk nonsense with you..."

"Then go away, what do you do in the circus in front of me? I don't like watching."

Emily Gale lowered his head to eat the cake, and did not forget to complain: "Sure enough, there are so many ugly people.

It's not bad at all."

"You! You..."

This dead girl!

This ugly!

This b*tch!

But today it was indeed he who took the initiative to run over, it was as if he came to the door to find a curse!

Daniel Jackson endures, endure hard!

I'll endure internal injuries!

"Jenni, it turns out you are here."

Not far away, a coquettish voice was approaching.

Daniel Jackson turned her head, her goddess was walking with graceful steps, step by step.

Kylena Gale walked up to him and smiled at him: "Daniel."

She was still so quiet, gentle, calm and beautiful, although she was not as good-looking as the fairy she saw at the time of rainy night, but Kylena Gale in front of him was the audience.

The most beautiful woman.

Especially when she was with Emily Gale, she became a holy cloud in the sky.

Daniel Jackson nodded and looked at her face.

Her face was delicate and flawless, and it was completely healed. He asked, "Is there any discomfort?" Kylena Gale shook her head, but she was grieving in her heart.

She was beaten horribly that day, and the man walked faster than anyone else. He didn't even look at her for three days.

Now, she appeared gorgeously, and the way he stared at her was like a bee seeing a flower.

Men really are vulgar people who judge people by their appearance!

However, now she is the winner of looks, so the more men are like this, the happier she is.

"Look at the second lady, she was bullied by her younger sister, and she was so gentle with her."

"She is beautiful and generous and kind. Looking at her younger sister, she is uglier than a clown!" The surrounding crowd began to be confused again, Gale Kylena smiled softly and likes to listen to such compliments most.

"Jenni, I have been playing outside for a few days and haven't come back. My sister is worried to death. Is it okay?" Kylena Gale came here as if to care about her sister. However, this small voice made a lot of

People hear a lot of information.

It seems that Emily Gale has been playing outside for the past few days and stayed out all night!

People who are about to get engaged are so unsure!

"You have been taking care of Young Master Jackson. Why should I have something? My sister is overwhelmed."

Emily Gale smiled lightly at her, and wanted to slander her without asking where she was all these days.

Although she did not return to Jackson's house, she had been living in Hunter Jackson's villa, but she hadn't notified her.

Kylena Gale was a little surprised.

She raised her eyebrows: "Oh? Young Master Jackson has been busy with the listing of new projects for the past few days. I heard that she stayed in the company for several days all night."

"People from Jackson's family. I also said that you didn't go to Jackson's house, Jenni, would you not spend the night in a bar again?" Kylena Gale's great thing is that after he framed you, he didn't give you any chance to refute.

"Young Master Jackson is here!" She whispered, and everyone's attention instantly fell on the spiral staircase. Who would listen to Emily Gale's explanation?

In short, the message everyone received was that Emily Gale did not go to Jackson's house, and should have spent the night in a bar.

She even lied, saying that Young Master Jackson was with her. In fact, Young Master Jackson was always busy!

This Miss Gale San is really disgusting, she's almost unchangeable.

But at this moment, everyone really didn't care about this woman.

On the spiral staircase, a figure standing proudly came down slowly.

He walks casually, but the cold and inviolable breath is always like a king.

A man who is like a man who came out of a comic, his beautiful facial features are flawless, three hundred and sixty degrees without any dead ends.

The girls below saw that everyone was so heartbroken that they did not dare to breathe hard.

It turns out that in the legend, handsome men who make women unable to close their legs really exist.

Even if he gets engaged, it will not affect his charm in the hearts of girls, but on the contrary, it will make everyone want to discourage him!

Pester him!

Swallow him hard!

Such a man, if he had the opportunity to spend the night with him, it would be worth the short ten years!

As soon as Hunter Jackson came downstairs, he was surrounded by a group of people, but Young Master Jackson didn't like being close to others, as everyone knew.

Therefore, no one really dared to break into his dangerous area even if they wanted to get close.

Everyone from Jackson's family was here tonight. Because the old lady was in poor health, the old man accompanied her in to rest, planning to wait until the engagement banquet officially began.

As for the other members of the Jackson family, they were surrounded by each other and had not had the opportunity to communicate together.

The girls guarded their surroundings, staring at the arrogant figure in the crowd, but no one had the guts to approach.

It is a pity that Young Master Jackson's gaze did not stay on them for a moment. He really looked at women as nothing.

I don't know which woman will be like this in the future

Fortunately, he was favored.

As for Emily Gale, who didn't know that it was the arrangement of the elders?

Young Master Jackson wouldn't like that ugly female orangutan.

"Young Master, Young Madam are eating in the corner."

Seeing Hunter Jackson's gaze swept across the venue, Aspen Li took the initiative to report.

Hunter Jackson didn't respond, his eyes swept over the figure in the distance, without stopping.

After he got down, he found her position at first sight.

But when all the women flocked to this side frantically, the girl didn't even look here.

Deliberately?

Or do you really ignore him?

"Young Master Jackson."

Finally, someone mustered up the courage, set aside the top spot, and walked to Hunter Jackson with a wine.

It's Kylena Gale!

Tonight's Kylena Gale, wearing a rhinestone snow-white dress almost dragged to the ground, her big V-neck won't disappear, but she was s*xy and enchanting.

Every time she moved, Miao Man's figure seemed to be dancing, a little flamboyant.

Especially the career line, which fluctuates slightly in the sight of men, absolutely attracting attention.

"Young Master Jackson, you didn't give a good reception last time when you came. Please forgive me."

Her wine glass has been delivered to Hunter Jackson, her charming voice, soft enough to drip.

"Kylena apologizes to you. I hope Master Jackson has a lot. Next time you come, Kylena will definitely entertain you!" Hunter Jackson's gaze crossed her, and he glanced at the slender figure in the corner of his eye.

Emily Gale would look at this side, but only after a glance, he withdrew his gaze.

A woman toasted her fiance. Not only did she not care, she even accepted a drink from a man!

Joseph's face was expressionless, but a trace of displeasure flashed across his eyes.

Okay, this woman!

well!

Raising his hand, he took the drink from someone who did not know, and drank it all in one go.

Chapter 38

Emily Gale, do you want to escape marriage again?

Hunter Jackson accepted Kylena Gale's toast!

Young Master Jackson, who has never been close to women and even kept away from women, really drank Kylena Gale's glass of wine!

Who doesn't know that Kylena Gale's toast like this represents her goodwill?

Now, is Young Master Jackson accepting Kylena Gale?

It seems that there are rumors outside that Young Master Jackson likes the Second Miss, but because of the arrangement of the elders, he wants to be engaged to the Third Miss.

It is indeed true.

Aspen Li looked at the wine glass in Hunter Jackson's hand, what he wanted to say, but he didn't dare to say.

The young master did not have his turn to question.

Kylena Gale didn't know how excited she was when she watched Hunter Jackson finish drinking the red wine she had brought up.

When she took the empty glass, she subconsciously looked back at Emily Gale in the distance.

I thought I would see Emily Gale's jealous gaze, but I didn't want to, the other party's attention was not above this.

She instantly condensed her mind, looking at Hunter Jackson's crazy face, her thin lips hooked, and she showed her best smile.

"Young Master Jackson..."

But who knows, Hunter Jackson's eyes suddenly sank, and he walked towards the corner.

Before him, Emily Gale already took the phone and walked to the door of the hotel.

"What are you talking about? You are on your way? Xiaomi! Didn't I tell you that you are not allowed to go out? How can you be disobedient!" Just received a call from Su Xiaomi, knowing that she was leaving school and was coming towards the hotel. Emily Gale suddenly broke out in a cold sweat.

"Su Xiaomi, I order you to go back to school now, right now! Didn't you hear it!" "Of course, don't worry, it was the Mr. Li who was next to Young Master Jackson who asked me to send me the invitation letter. Inviting!" Compared to Emily Gale's anxiety, Su Xiaomi looked extremely excited.

"I really came here by invitation. I dressed up specially tonight. I will never shame you. You believe me."

"Who said you would shame me?" She cares about this not at all. ?

However, Aspen Li gave her an invitation letter?

When did Aspen Li have so many things?

Could it be that he said bad things about Mr. Jackson in the car that day, and that guy wanted to show that he was a good person, so he took the initiative to send someone the invitation letter?

Young Master Jackson could be so idle, even taking care of such small things?

"Xiaomi, listen to me, I don't want you to come, I just..."

There are some things she can't say, and no one will believe it!

But she is really anxious now!

"Xiaomi, where are you now? Who are you with? Are you alone? Where is God?" "I'm on the way here, on Tianyungang Road..."

Su Xiaomi hadn't finished speaking, suddenly, with a bang, there seems to be a crash over there.

Su Xiaomi's mobile phone also fell to the ground, and Su Xiaomi's screaming sound came from the phone, which was a mess!

"small

Meter!

How are you, Xiaomi?

Xiaomi?

Don't scare me!

Su Xiaomi's cell phone suddenly lost its signal, and after two beeps, she hung up completely. Emily Gale made another call, but the call could not be connected! Her heart convulsed, memories from her previous life flooded, and Xiaomi's body was found at the beach. , His whole body was brutally bruised...

"No!

No!

"Tianyungang Road...The hotel is by the sea, and Tianyungang Road is not far from here. Emily Gale didn't even think about it, so he rushed out from the door and rushed into the square in front of the hotel, trying to cross Look for a taxi in the square. Suddenly, someone clasped her wrist. Emily Gale was frightened and struggled hard: "Let me go!

"The drama of escape marriage, do you want to do it again?"

"Hunter Jackson's face was slightly dark, and his tone of voice was clearly unhappy. If he hadn't seen it with sharp eyes, would this girl take the opportunity to escape? "Emily Gale, you have signed an agreement and dare to escape, you can't afford it!"

" "let me go!

"Emily Gale struggled desperately.

"You..."

He squinted his eyes and saw that her eyes were full of panic and panic.

It didn't look like she wanted to escape from marriage. Hunter Jackson frowned, his tone of voice slightly frowned. Better: "What happened?"

"Something happened to Xiaomi!"

She was in a car accident and she was kidnapped..."

Emily Gale herself was messed up, and now she is clearly different from her previous life.

She was not kidnapped, and Su Xiaomi was not kidnapped by the gangster because of her, but Xiaomi really did. Something went wrong, but she didn't know what happened to Xiaomi... Finally, she shook off Hunter Jackson and rushed towards the street. Fortunately, Joseph did not continue to stop him.

It's just that the hotel is close to the sea.

And Jian, the people who can come here are wealthy people, basically all of them drive their own cars. Taxis, it's really hard to catch a taxi in this kind of place! Just when Emily Gale was desperate and almost wanted to grab the car

Suddenly, a low-key car squeaked and stopped in front of her. Seeing the man sitting in the driver's seat, Emily Gale was stunned for half a second. Hunter Jackson said indifferently: "Not yet. car?"

Emily Gale reacted and immediately went around to the other side, opened the door of the car, and stepped up.

"She said that she was on the Tianyungang section, but I couldn't find her exact location, Mr. Jackson..."

Joseph Bei said nothing. He stepped on the gas pedal and the car quickly drove out. He dialed the call button on the car, and Aspen Li's voice soon came over: "Master, where have you been?"

The banquet is about to start, old man..."

"Phone number?"

Hunter Jackson's voice was as pale as frost.

"Wha, what phone number?"

"Aspen Li was a little overwhelmed. Hunter Jackson took a look at Emily Gale: "Your friend's phone number."

" "she was....."

Emily Gale understood, and immediately said to the internal phone of the car: "Aspen Li, help me find the location of a number, hurry up!" She read Su Xiaomi's phone number to Aspen Li, although Aspen Li didn't know what happened. What's the matter, but, the phone has been hung up and people have been checked.

Not long after, Aspen Li's phone called: "Young Master, Young Madam, the last place where this number sends the signal is on the section of the seaside of Tianyun Port, close to Tianyun Port."

Hunter Jackson's force fell on the throttle. Increased instantly.

The section near Tianyun Port is not far away.

Aspen Li was still anxious to death: "The young master, the future young lady, where are you... now? What are you going to do? The old man is looking for someone!" This new couple will not want to play missing again, right?

Have played it once, come back?

"Let the old man take the old lady home to rest, everyone else, wait! Before dawn, he will be back to complete the engagement ceremony."

After that, he hung up the phone.

Emily Gale looked at his profile, and suddenly his flustered heart calmed down a lot.

The man in front of him was like a big tree supporting the sky, instantly shielding her from all the wind and rain.

He said that he would go back to complete the engagement ceremony before dawn, and she suddenly believed that he would definitely be able to solve all the problems before dawn.

It turned out that this was the feeling that someone could make her rely on.

After living for two lifetimes, this was the first time she felt it.

Looking at his serious face as he drove, his heart suddenly became sore.

She loved him badly in her last life, but why, he never gave her a touch of warmth in her last life.

In this life, she didn't want to repeat the same mistakes and decided not to love him, but he confused her heart again and again?

She retracted her eyes and looked at the night outside the window.

Don't think about it, don't think about anything.

The most important thing now is to ensure the safety of Xiaomi.

She can't let Xiaomi have an accident, she must not!
