

## Love Will 443

### Chapter 443

“Eileen, Bella, Rachel, they are all my friends.”

Kadyn had already drunk too much, so he introduced vaguely, “This is Mr. Cassel. Don’t just stand there. Give him a toast.”

Brandon was like the god of death with a cold face. No one dared to toast him. The women froze and did not move.

Kadyn urged again, “What’s wrong with all of you? Why don’t you serve Mr. Cassel?”

Brandon picked up a glass of wine and splashed it on Kadyn’s face. “Are you sober now?”

The wines were all frozen over, so Kadyn was more than sober now.

“You are really ruthless.” Kadyn shivered in cold.

Kadyn wiped his face while Brandon chased away the women in the booth.

At this moment, only Kadyn and Brandon were left in the booth.

“What did Gordon say? What did he propose?” Brandon sat down. There was an unpleasant smell of perfume in the booth. He frowned in disgust.

“What conditions can he offer? Naturally, he obediently agreed to it. This morning, he eagerly sent me the money.”

Kadyn took out his phone screen and showed the message sent by the bank to Brandon.

“Then why did you call me out at midnight?” Brandon was a little angry.

“Aren’t you tired of being a responsible husband every day? I just found an excuse to bring you out to relax,” Kadyn said with an evil smile. “I found so many girls, but you chased them away. You are really disappointing.”

“Is this why you called me out?” Brandon’s face turned gloomy. “Don’t be so annoying next time. Savanna is about to deliver the child. Something may happen at any time.”

Brandon was about to leave.

But suddenly, a weak woman appeared behind him.

Her long black hair reached her waist, and she was wearing a white dress with a pair of walking sticks under her arms.

“Truly a henpecked husband. Eileen, Bella, and Rachel are so beautiful. Why don’t you like them?”

Kadyn mumbled.

he hurriedly introduced, “Your old lover, Winnie. You
