

Love Will 449

Chapter 449

"I don't agree to a divorce. Savanna, don't even think about leaving me."

Brandon opened his mouth and coldly threw out a few words. His deep eyes were filled with possessiveness.

Savanna looked at him without any fear in his eyes. "I've decided."

The atmosphere was tense.

Seeing that, Janet quickly took Tye away. She said, "I'll take Tye to the toilet, you guys chat."

"Why?" Brandon asked, "Tell me why? We already have a daughter, and we will soon be able to live at life that we have longed for a long time."

Savanna held the child in her arms tightly and said lightly, "Maybe that is what you are looking forward to, but for me, it is meaningless."

"Why is it meaningless?" Brandon was like an angry lion. He took a step forward and grabbed Savanna by the shoulder.

Savanna was in pain. Her arm shook, and the daughter in her arms shook violently. "Roya!"

Brandon had good control over his strength and would not let anything happen to the baby. "You still care a lot about our daughter."

He was deliberately probing her.

Savanna looked up and gave Brandon a deep look. "Because Roya is my baby."

She thought, in other words, what I care about is my daughter, and it has nothing to do with you.

"Savanna, you can hate me and blame me," Brandon lowered his noble head and pleaded, "I only have one request. Don't divorce me."

He thought that as long as he was willing to make a concession, Savanna would continue to stay by his side.

However, the next second, the woman's light tone shocked him.

"Brandon, I fell in love with someone else."

"What did you say?" Brandon asked, his eyes widening.
