

LOVED BY AN OLDER MAN

Chapter 16: Crescent Moon Birthmark

“Hug!”

Just as Mo Long was caught off guard, Jiang Yu suddenly pounced on him and hung herself on his body.

Then, she refused to come down no matter what.

Mo Long patted her back helplessly and asked his subordinates to prepare some sobering soup.

When the nanny came in, she saw the two people who were almost stuck together.

It was the first time that the nanny saw the master being so close to someone. She was stunned for a moment and quickly lowered her head to enter the kitchen respectfully.

She thought to herself, this Miss Jiang must be Mo Long’s favorite.

Mo long finally managed to coax Jiang Yu off his body.

Then, he coaxed her to drink the sobering soup.

After Jiang Yu drank the soup, Mo Long sent her to the villa and prepared a room specially for her.

The bedroom was filled with girls’ belongings.

The wardrobe was also filled with clothes that belonged to Jiang Yu’s size.

Mo long looked at Jiang Yu, who was sleeping soundly on the bed. His gaze suddenly fell on her shoulder, which was exposed by the slip of her skirt.

There was a red crescent birthmark on Jiang Yu’s left shoulder.

Mo Long had a feeling that he had seen this birthmark somewhere before.

But he could not recall where.

He reached out to touch the birthmark.

But he was hugged by Jiang Yu in her sleep.

Mo Long could not help but curl his lips. After a while, he pulled his hand out and tucked her in.

Before he left, he planted a kiss on her forehead. "Have a good dream."

When Jiang Yu woke up, she found herself in an unfamiliar room.

"Strange, why am I here?"

Her brain froze for a few seconds before her memories came flooding back. She remembered that she had drunk at Mo Long's place last night and did not remember anything after that.

This was Mo Long's territory.

After Jiang Yu washed up, she changed her clothes and came out.

Mo Long was sitting in a wheelchair in the living room, drinking milk.

"Good morning!"

Jiang Yu was a little embarrassed. "Sorry to trouble you last night. Did I do anything strange?"

"Come and have breakfast!" Mo long waved his hand and waited for her to come closer before he looked at her quietly. "You just hugged me tightly and refused to let go."

Jiang Yu, who was sitting down, immediately raised her head when she heard that.

Sporadic images flashed in her mind, and she suddenly felt a little awkward.

So she had been such a hooligan before.

“Then wouldn’t Mr. Mo have suffered a great loss?” She had taken advantage of him.

Mo Long smiled. “I don’t feel that I have suffered a great loss.”

On the contrary, he was quite enjoying it.

After all, that delicate body in his arms was indeed a little irresistible.

“From now on, you can come and stay here anytime. This is also your home.” Mo Long saw that Jiang Yu had already tied the key he had given her around her neck with a necklace. *freewebovel.com*

Jiang Yu nodded.

After dinner, Mr. Mo went to the company, while Jiang Yu asked the driver to send her back to the Jiang family.

The Jiang family.

Jiang Yu didn’t come back for the whole night, but no one in the entire Jiang family was looking for her.

The Jiang family was happily eating in the hall.

When Jiang Yu came in, there was a pause in the laughter.

Wei Juan Glanced at Jiang Yu, but she kept sneering, “Ha, you’re getting more and more promising. You haven’t come back for the whole night and was fooling around outside!”

She didn’t look like a rich young lady at all!

Jiang Ran asked, “Sister, where’s your necklace? The company needed funds now. Give the necklace to father and let him help the company through the difficult times. After all, you’ve been living at home for the past year, but you haven’t contributed much.”

Jiang Hai raised her head and looked at Jiang Yu with a serious face.

Jiang Ran was right. The company indeed needed cash flow now.

“Yu’er, where did you get that necklace?” Jiang Hai tacitly agreed with Jiang Ran’s words.

Jiang Yu stopped in front of them and spread her hands. “What necklace? That was just something I borrowed from a friend. I’ve already returned it.”

Jiang Hai was a little disappointed when he heard this.

He thought that there was really a son of a rich family who took a fancy to Jiang Yu.

He didn’t expect that the necklace was borrowed!

“Forget it.” Jiang Hai picked up his chopsticks. “You just need to be careful in the future and don’t ruin the Jiang family’s reputation! Since Professor Bai is willing to take you as her disciple, you should learn well when the time comes, understand?”

Jiang Hai quickly went to the company.

Jiang Yu, on the other hand, went back to her room. She took some information that was necessary for her work and left.

Wei Juan and Jiang ran looked at Jiang Yu’s back as she left, their faces filled with suspicion.

“Mom, do you think Jiang Yu secretly hid the necklace? Could it be hidden in her room?”

The necklace might have been in Jiang Yu’s backpack just now.

Jiang Yu would never bring such an important thing out of the house.

Wei Juan nodded as well. “That wretched girl. Wait until I find it and let her father teach her a lesson.”

After saying that, Wei Juan rushed to Jiang Yu’s room and took out the key to open the door.
