

LOVED BY AN OLDER MAN

Chapter 19: Stop Right Now!

Jiang Yu frowned, took out her phone, and made a call.

“Mr. Mo, someone is bullying your girlfriend!”

“Where are you?” Mo Long’s voice sank.

After a while.

The door to the room was opened.

Ma Kai came in with a few subordinates and looked down at Jiang Yu. “Jiang Yu, either be my girlfriend today, or don’t walk out of this room in one piece!”

Jiang Yu took a step back. “Ma Kai, do you know what you’re doing? Aren’t you afraid of getting revenged?”

“Heh, you think you can threaten me! Cut the crap and make your choice quickly!” Ma Kai sneered at her as if he was looking at an ant.

“Alright then.” Jiang Yu took a deep breath. “My choice is...”

Ma Kai’s heart stirred as he stared at her.

He was waiting for Jiang Yu to say that she was willing.

But who knew that Jiang Yu would use that weak expression and say the tough words, “I choose to make you kneel down and kowtow to me!”

“Hiss! Stupid girl!”

“What are you waiting for? Beat her to death!”

Ma Kai was enraged once again. Since he couldn’t get her, he would destroy her.

A few thugs approached Jiang Yu.

Jiang Yu took a few steps back and was forced into a corner.

Although she knew everything, her martial arts were average. The reason was that she had not eaten much since she was young, causing her body to be weak and lacking in strength.

At this moment, the manager of the horse farm suddenly barged in. "What are you doing? Stop It!"

There were a few people behind the manager.

Ma Kai frowned in displeasure. "This is none of your business! Get out!"

However, the manager directly ordered, "Arrest all the troublemakers!"

In the next second, Ma Kai and the few thugs were subdued.

"You are rebelling against the heavens. I am the biggest shareholder here!"

The manager wiped the sweat off his forehead. Fortunately, he stopped young master Ma, or he would have caused a big trouble.

The manager said to Ma Kai, "Just now, the biggest shareholder of the horse farm has changed hands! and Miss Jiang will be our most honorable guest!"

When Ma Kai heard this, cold sweat broke out on his forehead. "What did you say?"

The horse farm was the biggest asset of the Ma family. How did Jiang Yu manage to make the horse farm change hands?

At this moment, Jiang Yu hurriedly reported to Mo Long and Lu Qi that she was safe.

Thus.

When the students in the class came out after eating and drinking, they saw Ma Kai kneeling on the ground in a sorry state.

And Jiang Yu was walking out coldly and arrogantly under the escort of the security guards.

“What’s going on?”

“What’s wrong with Young Master Ma?”

“Isn’t that person the manager of the horse farm? Why is he treating young master Ma Like that?”

Jiang Yu glanced at the students in the class coldly, but she didn’t want to pay attention to them.

At this moment, Ma Kai was afraid of the power behind Jiang Yu, so he didn’t dare to struggle. Moreover, he had just received a call from his father, telling him to make Jiang Yu calm down no matter what, or else the entire Ma family would be finished.

He was scared, completely scared.

Ma Kai, who was arrogant just a moment ago, had now become a cowardly turtle.

“Miss Jiang, I was wrong. I shouldn’t have coveted your beauty. I kowtowed to you to apologize.”

Ma Kai was very cowardly as he kowtowed.

Meanwhile, the eyes of a few classmates were about to pop out of their sockets.

“Do you think I’m that easy to fool?” Jiang Yu didn’t have a trace of pity. After all, the other party was just about to cripple her.

Ma Kai raised his head with a pale face. He gritted his teeth and said directly, “How about this? I’ll ride a horse to cheer Miss Jiang up.”

“Okay!” Jiang Yu clapped her hands.

Just like that, everyone arrived at the horse farm.

Ma Kai knew that Jiang Yu wouldn’t be appeased unless he broke a leg.

So, he rode the horse and rushed out without any regard for his life.

The rest of the students had already secretly left, while others were watching from the side.

“Student Jiang, what happened? Why did young master Ma kneel down to you?” A bold student came forward and asked.

Jiang Yu shook her head. “You’ll have to ask him about that.”

As she said this, the horse neighed. Then, Ma Kai fell off the horse and let out a miserable cry.

The other students gasped, but no one dared to go forward to help him. Instead, they looked at Jiang Yu in horror.

Ma Kai broke one of his legs and was sent to the hospital.

The other students no longer dared to underestimate Jiang Yu. They all guessed that the power behind Jiang Yu was not to be underestimated, but they did not dare to speak carelessly. They all consciously shut their mouths, afraid that they would end up like Young Master Ma.

Lu Qi cheered in the class group, “This is really satisfying. Good fall!”

Lu Qi thought that Jiang Yu had invited someone to ask Young Master Ma to let Jiang Yu go.

She had no idea that the horse farm had changed owners.

However, the people who knew the situation echoed in the class, “Right, Ma Kai is too wicked. He clearly doesn’t have any ability, yet he still dares to covet classmate Jiang! Classmate Jiang is a good student with excellent character and many talents. How can he covet her?”

“I also think that a toad wants to eat swan meat. Especially when he failed to confess and even made her pay sky-high prices for food. It’s too wicked.”

Lu Qi looked at the class chat group in shock.

Eh, why did everyone’s reaction change?
