

LOVED BY AN OLDER MAN

Chapter 21: Apologise To Your Sister

Jiang Hai turned around and said to Jiang Ran in disappointment, “Apologize to your sister!”

“Dad!” Jiang Ran bit her lower lip unwillingly.

Wei Juan stood in front of Jiang Ran and said, “Ran Ran didn’t do it on purpose. Besides, Yu’er knew that the song was accidentally used by Ran Ran, but she still sent it out on purpose. Isn’t this deliberately targeting her?”

Jiang Hai frowned.

Jiang Yu was also angry and laughed. Wasn’t this an unreasonable argument? “So I was robbed of my work, and I still have to hide it in secret?”

“But it shouldn’t be in such an obvious way that Ran Ran lost Professor Bai’s trust!” freewebnovel.com

Speaking of Professor Bai, Wei Juan and Jiang Hai felt a little regretful.

Jiang Ran had almost succeeded, but...

“Enough!” Jiang Hai made the final decision. “Ran Ran, apologize to your sister. You were in the wrong first.”

Jiang Ran looked at her father’s livid face and had no choice but to slowly walk over. She reluctantly lowered her head in front of Jiang Yu. “Sister, I’m sorry.”

Although her posture was meek, when she lowered her head, a flash of resentment flashed across her face.

It was all Jiang Yu’s fault!

Jiang Yu reached out to help Jiang Ran up and said to her, “Don’t apologize. If you’re really sincere, give me your bedroom. After all, you’ve lived there for so long.”

She was the only daughter of the Jiang family, so why should she let Jiang Ran, an adopted daughter, live there better than her? Meanwhile, she was hiding in a small storeroom.

Jiang Ran's expression changed, and she looked at Jiang Yu in disbelief.

"Alright, give up the bedroom. Daddy will arrange another room for you," Jiang Hai ordered. She also knew that letting Jiang Yu live in a small storeroom was a little too much.

Jiang Ran suffered consecutive failures and was in an exceptionally bad mood. She sought comfort from Wei Juan.

"Mom, does daddy not love me anymore? He actually gave up my room to her."

"Is it because I'm not his biological daughter? is he starting to be biased? But I'm the one who has been accompanying everyone in this family since I was young!"

Jiang ran held Wei Juan's hand. "Mom, will you abandon me in the future too? I'm so scared."

"Silly daughter, what nonsense are you talking about? You've always been mom and dad's child." Wei Juan was heartbroken as she wiped away her daughter's tears.

"But in the end, I was just an adopted daughter who was brought into the Jiang family by mistake." Jiang Ran sobbed.

She had originally wanted to buy a piano this morning, but the current situation was ruined.

"There was no mistake. You are the daughter of the Jiang family." Wei Juan could not bear for her daughter to feel so inferior.

"Mom, what did you say?" Jiang Ran was in disbelief. "I am the daughter of the Jiang family. What about Jiang Yu?" Her eyes were faintly filled with anticipation.

Wei Juan Sighed. "Jiang Yu is also the daughter of the Jiang family. Sigh."

It turned out that eighteen years ago, Wei Juan was only the daughter of an ordinary family. Because she had taken a liking to Jiang Hai who already had a wife, she took advantage of the fact that he was drunk and planned to have sex with him.

She did not expect Jiang Hai to spend money to get rid of Wei Juan. Wei Juan knew that the time was not right, so she secretly concealed her pregnancy and gave birth to the child.

It was not until the day that Jiang Hai and his wife's child were born.

That day, Wei Juan secretly went to the hospital to peek.

She found that Mrs. Jiang had disappeared without a trace for some reason, leaving only the newborn child behind.

Wei Juan gritted her teeth and bribed the hooligans to secretly carry the child away and throw it away.

Later, Wei Juan heard that the surveillance cameras on that day were ineffective, and Mrs. Jiang had not been found.

She knew that the time was ripe, so she carried Jiang Ran and deliberately appeared near the Jiang family to let Jiang Hai find out that she had another daughter.

After that, she married into the Jiang family smoothly. After all, although one daughter had gone missing, the other daughter could not remain nameless forever.

Just like that, over the past eighteen years, everyone gradually only knew that Wei Juan was the real madam of the Jiang family, and a few who knew the inside story could not be mentioned again.

"Mom, so you're saying that I was originally the eldest miss of the Jiang Family!" Jiang Ran swept away the displeasure she felt just now, and the worries in her heart vanished into thin air.

She had been worried that Jiang Yu would take away everything she had.

She did not expect that everything she had was justified.

She was the eldest miss of the Jiang family, while Jiang Yu was merely the second miss.

What right did she have to be disrespectful to her?

Wei Juan nodded. "So, daughter, your father is only temporarily angry. It's not that he doesn't want you anymore."

At dusk, Jiang Yu was waiting for Lu Qi at the mall to have dinner and go shopping together. However, Lu Qi had stood her up at the last minute.

"Yu'er, I'm sorry. My fiancé wants to have dinner at my house. I'm afraid I can't come."

Jiang Yu teased, "You're like a married couple. Alright then, I'll look for my man too."

Lu Qi was surprised. "Yu'er, since when do you have a man?"
