

# LOVED BY AN OLDER MAN

## *Chapter 6: Can't Help!*

In the orphanage, a few children were leaning against the window of the principal's office, looking around.

When Jiang Yu walked out, the children immediately surrounded her.

"Sister Jiang, can you teach us how to play the harmonica that you brought?"

"And the paintings that I drew. Sister, quickly see if I've improved."

"Sister Jiang, I want to take basketball lessons."

Previously, Jiang Yu would come to the orphanage to volunteer on weekends. As Jiang Yu knew a lot of things, the children admired her.

Soon, Jiang Yu followed the children to the courtyard.

When Jiang Yu was teaching the children to play the harmonica, her phone rang.

"Big sister need to take a call first."

Jiang Yu walked to the side. "You're looking for me?"

Jiang Ran wouldn't call her for no reason. It was definitely not a good thing when she came looking for her.

However, a man's voice came from the other side. "Miss Jiang, I'm Ye Kun. I'm your sister's boyfriend. We just met. I want to apologize for my rudeness just now. I hope you can forgive me."

Compared to his bossy attitude in the morning, Ye Kun had lowered his posture at this moment.

Jiang Yu looked ahead and replied indifferently, "I've received your apology. If there's nothing else, I'll hang up first."

An anxious voice immediately came from the other side, "Eh... Miss Jiang, there's one more thing I need your help with."

Jiang Yu frowned. She knew that this person would not sincerely apologize.

"It's like this. Second Young Master Bai might have some misunderstanding with me, so he canceled our collaboration. I hope that you can help say something. Ran Ran and I will be grateful to you."

"Second Young Master Bai? You have the wrong person. I don't even have his contact information." How can I help you?

"..." A heavy panting sound came from the other side.

After a while, Ye Kun's voice suddenly turned cold. "Miss Jiang, are you not going to help?"

"I can't help you!" Jiang Yu pouted.

"Jiang Yu," It was Jiang Ran's voice on the other side. Her voice was trembling with anger. "If you have a grudge, then come at me. Why are you taking it out on Young Master Ye? You are clearly the one who started this matter. So what if you help me say something?"

Jiang Yu moved her phone away a little and dug her ears.

On the other end was Jiang Ran's long speech. She was probably saying that she was petty and had caused young master Ye to suffer heavy losses.

Jiang Yu quickly interrupted her. "I'm just a small temporary sales assistant, what right do I have to say anything? Young Master Ye can fire me with just a word, so this matter obviously can't be caused by someone like me. I still have something to do, so I'm hanging up."

After hanging up, Jiang Yu was relaxed as she walked towards the children.

It was not hard to imagine that when the other party heard the busy tone, he would probably jump in anger. [freeweibnovel.com](http://freeweibnovel.com)

When it was close to noon, Jiang Yu sent a message to Mo long, asking him to meet her directly at the place for lunch.

Hall Number One was one of the best restaurants in the capital.

Jiang Yu took a taxi down. When she saw this magnificent front, she could not help but mutter in her heart, what a luxurious life.

She lowered her head and sent a message to Mo Long, "I'm already downstairs."

Mo Long: "I'm almost there. I'll get the manager to go and greet you first."

Jiang Yu replied with a big smile.

When they reached the foyer of Hall Number One, Jiang Yu couldn't help but stop in her tracks.

A man and a woman were holding each other's arms in front of her. The person who was standing at the front desk and choosing a private room was the same person who apologized to her on the phone just now and then scolded her for being petty?

"This is my VIP card!" Ye Kun took out the card that he got from his father and showed it to the front desk lady proudly.

The front desk lady immediately said respectfully, "I'll arrange it for you right away."

Jiang Ran stood to the side and said coquettishly, "Young Master Ye, if it weren't for you, I wouldn't be able to eat in such a high-class place. I heard that this place is not a place that ordinary people can come."

Ye Kun said in high spirits, "There's no place that I can't go."

Jiang Ran laughed happily. Although Ye Kun was still studying in his family's company and being tested of his ability, he would definitely inherit the Ye group in the future.

There would be no lack of ostentation in the future.

That coquettish voice gave Jiang Yu goosebumps.

"Jiang Yu!"

Jiang Ran, who was smiling coquettishly, turned her head and saw Jiang Yu standing behind them.

Both of them looked at her in surprise. Young master Ye sneered and said scornfully, "Are you here to apologize? At least you know what's good for you."

However, Jiang Ran knew that it was impossible for Jiang Yu to know that she was here because she had never told her before.

Sure enough, Jiang Yu replied with the same coldness, "You're overthinking it. I'm here to eat."

Young Master Ye and Jiang Ran pursed their lips and laughed at the same time. They looked Jiang Yu up and down and said, "You want to eat here? Who do you think you are? Do you have a VIP card here? Do you know that this restaurant requires an advance reservation?"

Naturally, Jiang Yu could not take out a VIP card.

When the two of them saw that Jiang Yu was silent, they were even more certain that Jiang Yu had walked in by mistake.
