

The Luckiest man in the world CHAPTER 706-710

In the family history of the Wang family, Wang Fengyi is the brilliant creator of the Wang family and the chief designer of future planning!

The soul of the entire royal family!

at this time...

Wang Fengyi was also looking at Wang Zhihai, nodded slightly and said, "What age is it now?"

"Back to the ancestors, today is August 27, 3020." Wang Zhihai hurriedly said.

Wang Fengyi sighed: "3020, in a blink of an eye, a thousand years have passed."

Then, Wang Fengyi said solemnly: "Wang Zhihai, you have to remember! The reason why the Emperor Hotel and the entire Wang family can develop to where they are today is entirely dependent on Mr. Lin!"

"Everything in the Wang family belongs to Mr. Lin. All the Wang family must follow all the orders of Mr. Lin, and serve Mr. Lin as the master!"

Wang Zhihai respectfully said: "Yes!"

Omi didn't care about everything about the Wang family.

As for the order, he didn't take it to heart at all.

Because, with Omi's strength and power, what he wants, he can easily get it.

Today, the entire Wang Family Manor was decorated with lanterns and beams of joy, and an extremely luxurious banquet was held, and the atmosphere was extremely warm.

Because, today...

The owner of the Wang family, Omi, and the ancestor of the Wang family, Wang Fengyi, all appeared!

...

In a blink of an eye, it was the next day.

After returning from the Emperor Hotel the day before yesterday, for some reason, Omi's figure kept appearing in Xia Xue's mind.

Omi's handsome face, sturdy body, every word Omi said, and even every action...

As a result, Xia Xue was tossing and turning all night and never fell asleep.

The next day, she lay in bed for a whole day, only to regain some energy.

After Xia Xue had breakfast, she wandered around at will.

Crossing the wide road, the luxurious street, came to the downtown area.

The neon flashes, the laughter is constant, and the atmosphere is full of fireworks.

When Xia Xue lightly inhaled her nose, she suddenly smelled a seductive fragrance.

She looked forward intently, and found that there was a warm and fashionable shop not far away – Yuese Snow Tea.

In front of the store, there were dozens of people in a long queue.

Even though the queue was long, no one chose to leave at all.

There were even a steady stream of people standing behind in the distance.

This is the charm of the unique taste of Yuese Snow Tea!

In today's world, a lot of food, tea, etc., can all be produced by machines and androids.

However, there are also a few unique products that need to be made manually, and Yuese Snow Tea is one of them.

Xia Xue murmured: "Why did you come here? It seems that there are quite a few fans who want to drink Yuese Snow Tea. Let's help them drink it today."

While speaking, Xia Xue also stood behind the team.

After a little thought, she took out the folding display and turned on the camera.

After a while, Xia Xue's delicate face appeared in the live broadcast room.

The number of viewers increased rapidly, and the barrage continued to emerge.

[Shenbing down: Xiaoxue finally broadcast live again.]

[Hua'er: Xiaoxue is still as beautiful today as before!]

[High interest: Xiaoxue, tell me who Mr. Lin was last time?]

[Shuiyue: Xiaoxue, do you know? Dafang Group has collapsed. Was this done by Mr. Lin's family? Is this too strong?]

[Han: What the hell! Dafang Group collapsed?]

[My heart: What Dafang Group? What is Mr. Lin? Also, Xiaoxue, why is your popularity so high all of a sudden? Am I missing something terrific?]

...

In fact.

Not only were some viewers surprised, Xia Xue was equally astonished.

Her beautiful eyes were round and round, and her pretty face was full of disbelief.

She studied at Jiangbei University, and naturally she had heard the name of Dafang Group.

It is a large group of collectors, tourism, chemical industry, culture, entertainment, etc., and its market value even exceeds 10 billion world coins!

As a result, it's down now?

In just two days, fell?

If this is really what Omi did, then... what is his identity?

Immediately, Omi's handsome figure appeared very clearly in Xia Xue's mind, and Omi's figure was constantly getting bigger and bigger! Blooming brilliantly!

At this moment, a slightly impatient voice came from behind Xia Xue.

"Front, hurry up!"

It turned out that Xia Xue had been stunned for too long, and had already walked a long distance ahead.

Only then did Xia Xue react, and said, "Hold... I'm sorry."

She hurriedly took a few steps forward, and then said to the camera, "Welcome everyone to Xiaoxue's live broadcast room."

"Last time, I have tasted the food of the Emperor Hotel on behalf of everyone."

"I have to say that the Emperor Hotel is worthy of being a world-renowned nine-star hotel. Needless to say, the interior decoration is high-end and luxurious..."

"And the box on the 365th floor makes people feel like they are in a cloud fairy palace. Standing in front of the floor-to-ceiling windows, you can easily have a panoramic view of the entire Jiangbei!"

"As for the food at the Emperor Hotel, let alone the food, each dish tastes so good, with distinct layers, it's so delicious that you almost want to swallow your tongue..."

As Xia Xue spoke, she couldn't help but gulped.

Obviously, she recalled the food at the Emperor Hotel again.

At this time, a different voice sounded behind him.

"Oh! The food on the 365th floor of the Emperor Hotel is like the truth. There should be a degree of bragging."

...

Studio.

[Deep love: Who is talking?]

[Wind: It's so annoying.]

[Nobita: He was so fierce just now, and now he says that again! Very irritating!]

[Yue'er Wanwan: Too rude! Besides, what does it matter if others go to dinner or not?]

[Who are you: I have never met this kind of thing, otherwise, I want him to look good!]

...

In fact.

Not only was the audience unhappy, but Xia Xue was also a little unhappy.

She turned around slowly and said in a somewhat rude tone, "I just introduced the situation of the Emperor Hotel, shouldn't I bother you?"

This is a man with a pointed mouth and a plaid shirt.

When he saw the front of Xiaoxue, his small eyes narrowed into a slit.

The man with the sharp-mouthed monkey cheeks smiled and said, "Actually, if you really want to go to the Emperor Hotel, I can take you there."

"By the way, I just forgot to introduce. My name is Xiong Kai, and my father is Xiong Anqing, the department manager in the Emperor Hotel."

"Don't worry, it's definitely easy for me to take you in, and it's not even difficult to eat inside."

As Xiong Kai spoke, he couldn't help raising his neck.

It looked as if he had revealed his identity as the crown prince.

Now, just waiting for Xia Xue's eyes to stare, constantly worshipping herself.

Some people, just like that, often feel good about themselves.

As everyone knows, his behavior is just a joke in the eyes of many people.

Xia Xue frowned slightly and said, "It's none of your business whether I go to the Emperor Hotel or not. Besides, if I want to go, I will go myself!"

"Don't reject it so quickly." Xiong Kai laughed, "How about we add our contact information first, and then we can learn more about each other?"

After he finished speaking, Xiong Kai reached for Xia Xue's folding display.

Xia Xue called out, "What are you doing?"

When the words fell, he raised his hand and clapped Xiong Kai's arm, making a crisp sound.

"If this happens again, I'll call the police!"

Xiong Kai's face became extremely ugly.

Hit yourself on the arm, or even call the police?

He seemed to feel that he had been greatly provoked, and said sarcastically: "You said you went to the 365th floor of the Emperor Hotel for dinner? Who do you think you are? Since the establishment of the Emperor Hotel, it has never entertained anyone on the 365th floor! "

"And if you really went to the 365th floor of the Emperor Hotel for dinner, would you still line up here to buy Yuese Snow Tea? The staff will deliver it directly to you!"

After speaking, Xiong Kai sneered and looked at Xia Xue.

He knew that Xia Xue seemed to be broadcasting live.

Now, there should be some audience.

However, Xiong Kai wanted to expose Xia Xue in public!

If she can't get it, she will be punished!

At this moment, a low voice suddenly sounded beside him.

"You're right, Yuese Snow Tea should indeed send milk tea."

Xiong Kai and Xia Xue heard the words and turned to look.

only see...

A tall, handsome figure appeared beside him.

It was Omi!

For some unknown reason, Xia Xue, who was still a little annoyed at first, instantly dissipated her anger when she saw Omi...

Instead, it is happiness, joy, and excitement!

Omi smiled at Xia Xue and asked, "Xia Xue, what milk tea do you want to drink?"

Xia Xue said in a daze: "Ah...ah... Bing... Queen of Ice and Snow."

Then, Omi raised his super smart watch and said, "Then have two glasses of Ice Queen."

"Okay, Master!" The super smart watch made a crisp sound.

1000 years ago, Omi never took the initiative to talk to others with his super smart watch.

However, today, 1,000 years later, not only smart watches, but also smart robots can be seen everywhere, so naturally there is no need to avoid others.

After a while, three slender women wearing special clothes made of Yuese Snow Tea walked over with brisk steps.

When they arrived in front of Omi, they all bent down and said in a very respectful tone, "Hello, Mr. Lin, these are your two cups of Ice Queen."

This scene made Xia Xue, Xiong Kai... and everyone in the queue open their mouths with disbelief on their faces.

You know, this is Yuese Snow Tea!

Even some bosses who are worth over 10 million want to drink a sip of Yuese Snow Tea, but they have to queue up in advance.

However, when have you seen the employees of Yuese Snow Tea, and three employees hold milk tea together, and send it to one person with such a respectful attitude?

Omi didn't care about this at all, took a cup of milk tea, and then said, "The other cup is for this lady."

So, the staff of Yuese Snow Tea handed another cup of milk tea to Xia Xue.

Xia Xue was stunned for a while, and then slowly extended her hand and said, "Thank... Thank you."

The Yuese Snow Tea employee standing at the front said, "You're welcome, it's our honor to make milk tea for you."

Pleasure?

right!

It's an honor!

Because they just received a call from the headquarters and knew that this young Mr. Lin is the real owner of Yuese Snow Tea!

And this beauty is with Mr. Lin, even if it is just an ordinary friend, it is definitely worthy of her own favor.

And if it is Mr. Lin's girlfriend...

Thinking of this, the whole waiter became a little more respectful.

Then, Omi looked at Xiong Kai again and said, "Your father is Xiong Anqing, the manager of the Emperor Hotel's department?"

Xiong Kai opened his mouth, but was unable to speak.

Omi didn't ask him any more. He raised his super smart watch and said, "Check it out."

The super smart watch didn't think at all, and said directly: "Yes, his father Xiong Anqing was promoted to be part of the manager of the Emperor Hotel two months ago."

"Resign him." Omi said directly.

"Okay, master," said the super smart watch.

Xiong Kai seemed to react and said, "You... you are joking, right?"

"Jingle Bell!"

At this moment, Xiong Kai's cell phone suddenly rang a rapid ringtone.

He glanced at the call notification, and for some reason, a very bad premonition suddenly appeared in his heart.

After hesitating for a long time, he finally stretched out his trembling fingers and pressed the answer button.

The next moment, a 3D projection of a bald man in a white shirt appeared in front of him.

The bald man said hysterically, "Xiong Kai, why are you telling me, what exactly did you do?"

Xiong Kai stammered: "I... I didn't do anything."

The bald man shouted, "What did you do?"

"Labor and management tell you, the general manager just called in person to tell labor and management that labor and management have now been fired, now, immediately!"

"That's the general manager of the Emperor Hotel! The labor and management have seen him a few times from a distance!"

"As a result, now he has called in person!"

"Do you know how much labor and capital have paid to become department managers?!"

The bald man spit out, his whole face flushed with anger.

Obviously, he was extremely angry.

“The labor and management will take care of you **** later!”

After dropping this sentence, the bald man directly hung up the phone.

And Xiong Kai’s face was pale.

there is none left.....

Papa Royale Hotel’s job is gone!

The reason why I can live so easily is entirely dependent on my father’s high salary.

In the future, what should I do?

I still have a mortgage, a car loan~~ and a monthly credit card...

Also, later, Dad will teach himself a lesson...

You will definitely be miserable...

Thinking of this, Xiong Kai’s entire face became paler.

Then, he seemed to have thought of something, and hurriedly set his eyes on Omi.

“Pfft!”

Xiong Kai bent his legs, knelt directly on the ground, kowtowed to Omi, and shouted, “I’m sorry, I’m sorry... I was blinded just now, I beg you, adults don’t remember the villain’s fault... I beg you, let go leave me...”

“My dad can’t, can’t do without a job at the Emperor Hotel...”

However, no matter how Xiong Kai kowtowed and admitted his mistake, Omi’s expression never changed.

Then, Xiong Kai kowtowed towards Xia Xue again: “Please, let me go, I’ll kowtow to you, I’ll kowtow to you...”
