

# The Luckiest man in the world CHAPTER 811

Lin Chengzhen pondered for a moment.

Only then did he ask, "Is that forbidden area really special?"

Li Hao heard the words and knew that Lin Chengzhen was interested, and immediately said: "I can guarantee it! Absolutely special!"

After speaking, he put a hand on Lin Chengzhen's shoulder and strode into the distance.

...

In the blink of an eye, half a month has passed.

Panlong Villa.

"Dong Dong Dong!"

There was a sudden knock on the door outside.

Hearing this, Omi opened his eyes and saw that it was Hu Tian outside.

I couldn't help but wonder: When I was cultivating, they wouldn't bother me.

Is something wrong?

Omi's figure flashed, and he appeared directly in front of Hu Tian and asked, "What happened?"

Hu Tian said: "It's gone."

There was worry in her voice.

Hu Tian also didn't want to disturb Omi's cultivation.

However, Lin Chengzhen has not gone to school for half a month, nor has he returned home.

No one answered the phone and couldn't locate it.

The whole person seems to have disappeared.

How can this not make Hu Tian anxious?

Omi heard the words, the spiritual power like a tide immediately covered the whole earth.

Soon, he saw a cave where two teenagers were being chased wildly by thousands of alien beasts.

One of the teenagers is Lin Chengzhen!

Lin Chengzhen said: "Is this the special secret realm you said?"

Li Hao stammered: "Isn't this... so many exotic beasts, isn't it special? Can you find another place where there are so many exotic beasts to spar with?"

"hold head high!"

He slackened and was almost caught on the back by a wolf-shaped beast, which scared him to speed up again.

"Run!"

...

Seeing this, Omi slowly withdrew his mental power.

"Don't worry, it's all right, I'll be back in a few days."

With Omi's current strength, he could turn those thousands of alien beasts into ashes with just a breath.

But, he didn't do that.

Because Lin Chengzhen has a body protection orb on his body.

In the whole earth, except for Omi, no one can hurt Lin Chengzhen.

Not to mention thousands of alien beasts.

It is possible to use these thousands of alien beasts to exercise Lin Chengzhen a little.

After Hu Tian heard Omi's answer, she immediately calmed down.

As long as Omi said it, then Lin Chengzhen would be absolutely fine.

...

Xiayu, Tianleixing, Cangleizong, Hall of Fate.

There are many important disciples, elders and others erected here, which are made by special methods.

Once the tablet is broken, it means that the opponent's body is dead.

"Crack!"

There was a crisp sound in the originally peaceful hall of life tablets.

A disciple rushed over in a hurry, and when he saw that the broken tablet was Xing Baokun, his pupils shrank and he ran out quickly.

This incident quickly shocked the entire Canglei Sect.

Canglei Sect is undoubtedly the most powerful force in Tianlei Star, and even a famous force in the entire Xiayu.

However, the cosmos level is also an extremely precious existence to the Canglei Sect.

A few years ago, when Xing Baokun was subjected to a powerful curse, Sect Master Lu Qinghong had expected this result.

Now that the tablet is broken, it is also expected.

Lu Qinghong held a grand funeral for Xing Baokun. At the same time, he publicly announced that he would investigate Xing Baokun's death at all costs and avenge him.

However, in the Canglei Sect Mission Hall, there was no mission to investigate the death of Xing Baokun.

For a while, discussions about Xing Baokun's death were in full swing in the Canglei Sect.

There are very few people who actually investigate.

This is also the result that Lu Qinghong wants to see.

Because he didn't know how strong the person who killed and cursed Xing Baokun was, and how much power was behind him.

After all, it was a curse that even the Supreme Elder was helpless.

...

Time is like water, 10 years have passed in the blink of an eye.

In the past 10 years, Omi has obtained a total of 6 immortal crystals from the system, top-level water law talent, 2 elementary law gems, 2 magic phase golden bodies, and 3 king-level equipment.

After having these treasures, coupled with Omi's assiduous cultivation, his cultivation level has reached the 9th floor of the domain master, which is only one step away from the cosmos level.

At the same time, his Yin Element Law and Yang Element Law have all reached the medium level.

"Wow!"

Omi's thoughts moved slightly, and he entered the long river of time again.

He walked on the yin road, the yang road, the space road and other roads, respectively, moving forward and feeling for a while.

Then, changed to the path of life.

Today, Omi's speed on the path of life is obviously much easier.

When he reached 200 meters, Omi was already exhausted.

"Huh? Can you go that far?" A crisp voice sounded behind him.

Hearing this, Omi turned around and looked over.

It was Kaelin who had met on the path of the life system.

I don't know if it was because of the improvement in cultivation or because of the eye of the sky, Omi could now see Kailin's face clearly.

It was an exquisite, flawless face.

Just looking at it, the whole person seems to sink into it, unable to extricate himself.

"Very good life talent, what's your name?" Kaelin asked.

"Omi."

Omi did not hide his name.

Because, it is not necessary.

Kailin repeated one sentence and said, "Omi? I have some ways to use the laws of life here, you can practice it."

He pointed to Omi.

Omi wanted to dodge, but it was too late.

"call out!"

In an instant, Omi's mind came up with exercises related to the laws of life, which were very miraculous.

## The Luckiest man in the world CHAPTER 812

Omi said, "Thank you."

Kaelin said: "Just do it casually. I look forward to your achievements in the law of life."

After speaking, she took a step forward.

After Omi learned about the cultivation technique, the pressure on his body was greatly reduced.

So, he stepped forward for another ten meters, and then retreated from the river of time.

"call!"

Omi let out a sigh of relief, and the energy in his body increased again.

"Tap Tap!"

At this moment, there was a rush of footsteps outside the door.

Huang Ling, Su Ningjing and others rushed over very eagerly.

A look of doubt appeared on Omi's face, his figure flashed, he appeared directly in front of them, and asked, "What happened?"

While speaking, he raised his head... looked at the sky with the eyes of the sky, but didn't notice anything unusual.

Huang Ling said, "Zi Qian is about to give birth!"

to give birth!

It took Hu Tian three years to give birth to Lin Chengzhen. UU reading [www. .com](http://www.uureading.com)

Although Qiu Ziqian is pregnant, her belly has never gotten bigger.

In the past 10 years, people have often comforted her.

Now, it is finally about to give birth.

Omi's spiritual power surged out like a tide.

Soon, it was locked in the bedroom of a villa in the back.

At this moment, Qiu Ziqian was lying on the bed with a round belly.

I'm about to give birth!

Omi's figure flashed, and he came directly to Qiu Ziqian's side.

When Qiu Ziqian saw him, her whole face was filled with a happy smile, and she said softly, "Omi, our baby is about to be born."

Omi said, "Thank you for your hard work."

Dai Weixue blamed: "Omi, when did you come in? Get out, get out!"

While speaking, he kept pushing Omi outside.

Omi bent over, kissed Qiu Ziqian on the forehead, and said, "I'll wait for you outside."

"Okay." Qiu Ziqian responded.

Omi came outside for a while...

"Wow!"

Thick clouds suddenly gathered from a distance.

Cover the sky.

The whole world instantly darkened.

like night.

next moment.....

Among the clouds, a huge hole appeared, as if the sky had been broken.

The dazzling golden light shot down from the hole, illuminating the whole villa with golden and translucent, exuding a sacred and auspicious atmosphere.

“hold head high!”

Amidst the golden glow, a pleasant phoenix ming could be heard faintly.

【Ding! Detected the reincarnation of fairy phoenix. 】

[Xianfeng: The cultivation base is unknown. Due to being attacked by the enemy, in desperation, he chooses a ray of remnant to escape and chooses to reincarnate. ]

Hearing this, Omi raised his brows and hurriedly said, “Can I stop her from reincarnating?”

[It will cost 10,000 spirit stones, do you want to ask? ]

“ask.”

【 Can! 】

“Will the child be affected after the block?”

[The child will die. ]

Omi couldn't help but hesitate.

For more than ten years, Qiu Ziqian has been looking forward to the birth of her child.

How sad would she be if a dead baby was born?

Omi added: “After the child is born, will there be Xianfeng's memory? Or is it influenced by Xianfeng?”

[It will cost 10,000 spirit stones, do you want to ask? ]

“Yes!”

[The cultivation base will not have the memory of Xianfeng before the king level, nor will it be affected. ]

Only the king has awakened his memory!

Sure enough, Xianfeng is very strong.

Omi heaved a sigh of relief upon hearing this.

In a short time, the child will have no problem.

“Wow wow wow!”

At this moment, there was a loud cry of a baby in the villa, rippling back and forth throughout the villa.

Then, Dai Weixue walked out quickly holding a cute little girl who was as crystal clear as jade.

“call!”

“Suck!”

The rhythm of her breathing was very strange, and the surrounding spiritual energy, in a spiral shape, quickly poured into her body.

This is actually a mysterious method of breathing.

Then, the little girl grew rapidly at a speed visible to the naked eye.

When it was close to one meter high, the little girl stopped growing.

This change surprised everyone around him.

Dai Weixue stammered a little and said, “This...this...”

Omi smiled and said, “It seems that we can save a lot of worry in the future.”

Dai Weixue felt relieved when she saw Omi’s relaxed tone.

She kindly said, “Yu Lian, call me grandma.”

“Milk...milk...” Lin Yulian first blinked her big eyes, and then made a clear and sweet voice.

When Dai Weixue heard this, her whole face immediately turned into a ball of laughter: “Giggle, our Yulian is really good!”

She just asked tentatively, but she never thought that Lin Yulian could really call herself.

Lin Xiaoyao hurriedly said, "Yu Lian, call me my aunt!"

"Little aunt!" Lin Yulian's voice became louder and clearer.

Lin Xiaoyao said happily: "Good, really good. Our family Yulian is really good! Much better than your brother! What fun and delicious food do you want, whatever you want! My aunt will buy it all for you."

Omi said, "Call Dad."

"Dad!" Lin Yulian said.

"Good." Omi smiled and patted her head.

Then, Hu Tian, Xia Xue, Xia Bing, Su Ningjing... also made Lin Yulian call people.

Lin Yulian kept shouting, making everyone happy, and the entire Panlong Villa was shrouded in joy.

.....

In the blink of an eye, 3 years have passed.

"Yu Lian, it's time to eat!"

"Come on!"

A little girl about 1.4 meters tall trotted over.

She... is Lin Yulian.

At the age of 3, the height has reached 1.4 meters, which is already a little slim.

Omi, Hu Tian, Xia Bing, Xia Xue, Su Ning, etc., the whole family were all gathered together, extremely warm.

After eating, a bird flew over the treetops, attracting Lin Yulian's attention.

Lin Chengzhen next to him said, "Yu Lian, do you want to fly like a bird?"

Lin Yulian's big eyes, like jewels, burst into a splendid light.

She excitedly said, "I want to!"

Lin Chengzhen finally found the meaning of his brother and said happily, "Okay, my brother will teach you."

“I’ll teach you a flying technique first...”

“According to the exercise, you inject energy into your legs, and then slowly rise...”

As he spoke, while running the energy, the whole person also took off.

“Yu Lian, you see...”

However, before Lin Chengzhen could finish speaking, a pair of eyes became round.

Because Lin Yulian was already flying in the air, and in the air up and down, left and right, constantly turning in circles, brisk and agile.

Then, she accelerated sharply and shot towards the distance, setting off a gust of wind that blew Lin Chengzhen’s clothes and hair rustling.

Lin Yulian said happily: “Brother, is that so? Have fun! Fly so fast!”

A layer of cold sweat appeared on Lin Chengzhen’s forehead, and he stammered: “Yes...it’s like this...”

Although, he has been practicing the flying movement technique for some time.

However, he still couldn’t achieve such ease, ease and speed as Lin Yulian.

In other words, the younger sister directly surpassed herself as soon as she practiced.

This.....

As a brother, he is really embarrassed.

Not far away, Omi, Hu Tian, Su Ningning, Xia Bing, Xia Xue and others laughed when they saw Lin Yulian’s happy appearance and Lin Chengzhen’s embarrassed appearance.

At this moment, a clear prompt sounded in Omi’s mind.

【Ding! Quest: Enter the secret realm of bloodbath. Rewards: Dharma Phase Golden Body\*1, Divine Slaying Sword (King Class), Immortal Crystal\*1, 10 billion experience points. 】

Omi simply chose to ignore it.

He has also entered the secret realm, such as the previous Tianfeng realm.

Omi obtained some spiritual fruits and equipment in the Heavenly Wind Realm.

For ordinary people, this can be considered a rich harvest.

However, to Omi, it was nothing at all.

In addition, Omi had never heard of Bloody World. If he really wanted to enter it, he would have to spend a lot of time~ ~ With this time, Omi might as well practice at home.

.....

Time is like water, two years have passed by in a flash.

On this day, a clear reminder sounded in Omi's mind again.

**【Ding! You choose to abandon the mission: Enter the Rift and Bloodbath. Obtain Dharma Phase Golden Body\*1, Immortal Crystal\*1, Fire Spirit Crystal\*1, and 10 billion experience points. 】**

The billowing energy kept pouring into Omi's body.

Omi looked at the golden body in front of him, the immortal crystal filled with pure energy, and the fire spirit crystal exuding scorching heat, a strange look appeared on his face.

In other words... even if you don't complete the task, you can still get the reward?

Also, the reward is no worse than completing the task!
