

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1028

Jiang Zongnan was furious, but he was helpless. "It's just that Zhou Hengfeng will definitely take the opportunity to raise the conditions. Maybe they'll ask us to find a way to get Zhou Wei out of prison."

Zhou Wei had been sentenced to ten years in prison and had only been there for three months. If she was released at this time, it would undoubtedly be stepping on their faces.

However, for the sake of this family, Jiang Zongnan couldn't think of a better way for the time being.

"Xianrou..."

Jiang Zongnan had a headache when he mentioned Jiang Xianrou. In front of Old Master Jiang, he did not have the confidence to speak.

Jiang Xianrou was the only one in their family who still had a good relationship with Zhou Hengfeng. Unless she helped, they couldn't contact the Red Alliance through Zhou Hengfeng.

As he was talking, Old Master Jiang leaned against the bed. He had his head lowered as he looked at his phone. He had a serious expression and ignored him.

Jiang Zongnan stood there in increasing awkwardness and said uneasily, "In short, I'll do a good job thinking about her when I get back. Dad, don't worry."

Before he could finish, Old Master Jiang suddenly looked up. His turbid eyes became much clearer, sharp and charming. "There's no need."

Jiang Zongnan: "???"

"Dad, what do you mean?"

Old Master Jiang put away his phone and looked at him. He said calmly, "You don't have to look for Xianrou or Zhou Hengfeng anymore."

"But if we don't look for Zhou Hengfeng, we won't be able to contact the Red Alliance. Brother..."

.....

Old Master Jiang interrupted him simply. "Nian Nian just sent me a message saying that she's going to pick them up."

"?"

Jiang Zongnan suspected that he had heard wrongly. He looked stunned and was so shocked that he couldn't speak for a long time. "Dad, you said Nian Nian is going to the illegal district to pick them up?"

Qiao Nian knew about the illegal district?

He thought of someone—the one from the Ye family.

However, Jiang Zongnan still could not digest this information. Even if Ye Wangchuan had told Nian Nian about the illegal district, would she, a student who had just graduated from high school, pick them up from the illegal district?

This... who would believe it?

That place was an illegal area!

Not many people could go there.

But Qiao Nian was going to the illegal district to pick them up??

Jiang Weishang did not say anything, nor did he tell him the situation in detail. After all, he didn't know much himself. He only received Qiao Nian's message telling him not to worry. She would pick Jiang Zongjin and Jiang Li up.

In addition, he had received news from Liang Conglin that the research team from Qing University would set off for the illegal district with Qiao Nian tomorrow. He said that Qiao Nian had requested to go herself and that she had a pass to the illegal district.

Old Master Jiang's heart was in a mess. He felt like he had grasped something, but he also felt like he had not grasped anything.

He was in a daze.

He saw that Liang Conglin's message was still a little probing. He secretly asked him why Qiao Nian had a pass to the illegal district.

Jiang Weishang was confused.

He didn't even know how Qiao Nian knew about Jiang Zongjin. How could he know where her pass came from?

However, his granddaughter seemed to be always alone and mysterious. The people around her were all powerful.

For example, Yuan Yongqin from Cheng Feng Corporation, Su Huaiyuan, Nie Mi, and the others were all on good terms with her.

Even Ji Nan, who came to her promotion banquet.

Old Master Jiang looked at Jiang Zongnan, who was standing in front of his bed with a stunned expression. When he thought of Jiang Xianrou and Tang Wanru's attitude toward this matter earlier, he couldn't help but sigh inwardly.

If Nian Nian was really related to the illegal district, then Xianrou was too stupid this time!
