

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1029

At Rhine Apartment.

When Qin Si heard that Qiao Nian had left, he stopped playing. The game ended hastily. He was thick-skinned and brought Zhang Yang to Gu San's car to play with Qiao Nian at Ye Wangchuan's apartment.

Qiao Nian did not come down from upstairs. Thus, He pulled Gu San and Zhang Yang along to play a game.

As he played, he thought of something and recalled the unfinished topic at Lan Pavilion.

"Speaking of which, the Red Alliance has been very quiet recently. I haven't heard anything from them in some time. Master Wang, have you heard any new news about the Red Alliance?"

After Ye Wangchuan returned, he changed into his home clothes. He was tall and slender, and his home clothes gave off a custom-made aura. He was holding a cup in his hand and had just poured a cup of water. He was wearing cotton slippers and his shoulders were relaxed. When he heard this question, he looked up and said calmly, "No."

"Tsk." Qin Si played games while resting his elbow on the bar and chatting with him casually. "That shouldn't be. The Red Alliance has been too quiet recently. SUN seems to have gone into hiding again. There's no movement at all."

As he spoke, he mentioned to himself, "Come to think of it, the last time SUN appeared was to take our order. After that, there was no movement. The public's opinion of the Red Alliance is average. I think SUN is quite loyal. If we have the chance to meet, we should be able to become brothers."

Ye Wangchuan sat on the sofa with the water and placed his legs on the coffee table. They were well-proportioned and long. When he heard this, he raised his eyebrows and replied in an ambiguous tone, "Brothers?"

"Yeah."

Qin Si was still arguing. "We can be brothers. I think he's not bad. He didn't take many orders on the black market and only took ours. He helped us a lot. I've always remembered this favor. Unfortunately, this person is too mysterious. Not many people have seen him before."

At this point, he recalled something. "By the way, Master Wang, are you going to the illegal district soon? Master Cheng..."

As he spoke, Qiao Nian happened to come down the stairs.

.....

When Qin Si saw her, he immediately stopped talking about the illegal district. He threw down his phone and waved at her with a smile. "Sister Qiao, we meet again. Come quickly, we need two. You plus Master Wang, the five of us can queue together."

"No." Qiao Nian rejected him directly. After going downstairs, she walked straight to the fridge and took out a bottle of water.

She walked back and said to the man on the sofa, "I'm going out tomorrow to pick someone up."

Ye Wangchuan guessed that she was talking about Jiang Li. He pursed his lips and looked at her. His voice was hoarse. "How many days?"

Qiao Nian unscrewed the cap and took a sip of water. She then slowly put it down and said casually, "Two or three days."

It was just picking someone up. It shouldn't take more than three days.

Ye Wangchuan did not waste his breath and said simply, "I'll accompany you."

"There's no need." Qiao Nian bent down and placed the bottle on the coffee table. She picked up a piece of candy and played with it in her hand. She narrowed her eyes and looked relaxed. "I'll be back soon. I'll tell you when I'm back."

She would have to attend school when she returned.

There were still a lot of things waiting for her when school started.

There was an opening ceremony in the tradition of Qing University. This year, the Chinese Medicine Faculty did not recruit many people. According to Shen Yugui, she seemed to want her to perform on behalf of the new students.

She didn't have any shows to perform and had to go on stage. She could only go up and perform the songs she had written in the past.

However, those were all published online.

If she really represented the Chinese Medicine Faculty on stage, Zhui Guang's identity would be exposed.

Qiao Nian was quite annoyed by this matter. She wasn't afraid of others finding out that she was playing rock and roll online in private. The main reason was that once her identity was exposed, her university life would definitely not be quiet.

She only wanted to go to school in peace.
