

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1054

“Let’s go in.” Outside the banquet hall, Ye Wangchuan was tall and had long legs. He called out to Qin Si and Gu San and walked in front of the two of them.

Qin Si was still immersed in the shock of seeing the wrong person. He nodded and massaged his temple as he followed behind him.

Someone at the door checked the invitation.

Ye Wangchuan handed the invitation letter to the other party.

The other party scanned the bar code on the invitation card and let them in.

The three of them entered the banquet hall one after another.

The banquet hall was warm and pleasant. The air was filled with floral scents and perfume. The piano music was melodious and many people had already entered.

As the heir of the Qin family, Qin Si often attended such events on behalf of his family.

He had long been used to all kinds of banquets.

Basically, he had been attending various banquets since he could speak. When he reached adulthood, such events were even more common. Every week, he would receive similar invitations, but he might not attend all of them.

For example, he wouldn’t participate in those fancy charity banquets organized by some average families.

Some things were not particularly important. He might not give them face.

He usually only attended important events.

.....

Otherwise, the group of people who usually got along well with him would occasionally look for him to attend and support them. If he had time, he would also go.

But it also depended on how close they were.

For example, if Zhang Yang called him, he would definitely give him face.

In the past, if Jiang Xianrou asked, he would also give her face.

As for now...

Qin Si recalled what Jiang Xianrou had been doing recently and how she had been targeting Qiao Nian. He pursed his lips and stopped thinking about it.

Suddenly, he casually glanced from the corner of his eye and saw a girl walking over from the side.

The girl was wearing a long-sleeved sweater and a baseball cap. She was still playing with her cell phone with her head lowered. No matter how one looked at her, she looked like Qiao Nian.

No, it was Qiao Nian!

Qin Si took a deep breath. It was impossible for him to be wrong this time.

If he was wrong this time, his eyes were really useless. He might as well dig them out!

But, why would Qiao Nian appear in the illegal district?

Qin Si's mind was so shocked that it went blank. He couldn't keep up with the rhythm at all.

It was already strange enough that Qiao Nian appeared in the illegal district. The point now was that she appeared on the top floor of Jin Chen Hotel, at a banquet held by the IT Association.

Inside the banquet hall, not outside!

He had just been discussing with Master Wang about the high standards of this banquet. The IT Association had called all the celebrities in this industry over.

Right after they talked about it, he bumped into Qiao Nian.

This feeling... Qin Si couldn't describe it.

This was too exciting!

...

Qiao Nian was still sending messages with her head lowered, not noticing the person who had entered.

Liang Conglin had sent her a message a few minutes ago, tactfully asking her about Slim Waist Control's identity. Qiao Nian didn't say much. She only said that Slim Waist Control was related to the Red Alliance, and didn't reveal anything else.

She had just replied to his message.

Speaking of the devil, news of Slim Waist Control came one after another.

However, it was not sent from WeChat, but through the Red Alliance's internal contact software.

[By the way, Big Boss, there's an auction tomorrow. Do you want to participate?]

Qiao Nian was already very annoyed that he had dragged her to some banquet. Seeing the message he had sent her, her lips pursed into a straight line as she replied.

Slim Waist Control quickly replied to her.

[Just an auction. The specifications are very high. Some of the items on auction are not in circulation on the market. I'm just asking if you want to go.]
