

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1076

Jiang Zongjin was puzzled as to why Tian Jing had something to say to Qiao Nian. He walked over with a puzzled expression and asked softly, "Nian Nian, what did Professor Tian say to you?"

"It's nothing." Qiao Nian only glanced at him and walked casually to the road. "I'm hungry. Let's eat first."

Jiang Zongjin was rejected, but he knew that he had hidden the truth first. He touched his nose and did not dare to have any objections.

He had no objections, and neither did Jiang Li. He followed behind Qiao Nian obediently like a chicken. He almost wrote "I want to suck up" on his face. "Nian Nian, what do you want to eat? It's my treat. You can eat whatever you want."

Qiao Nian turned to look at him with an unreadable expression. Then, she retracted her gaze and took out her phone. "There's no need. I'll make a reservation first."

"What kind of place is it that you have to call to make a reservation?" Jiang Li scratched the back of his head and muttered.

He looked around and realized that some people were pointing at him.

He then remembered that he had already returned to the country!

There were so many people here. His identity made it unsuitable for him to appear casually in public.

Before he could react, Qiao Nian had already calmly waved for a taxi. She opened the door to the front passenger seat and said to the two of them, "Get in first."

Jiang Li could feel that more and more people had discovered him and were looking in his direction. He opened the backseat door and got into the car.

Jiang Zongjin followed him inside.

After closing the car door, Qiao Nian told the driver the name of the restaurant.

.....

The taxi stepped on the accelerator and drove away from the terminal.

The scenery outside the window quickly moved back. Jiang Zongjin sat in the backseat awkwardly. Several times, he wanted to find a topic to break the stalemate, but he was clumsy and did not know what to say.

Jiang Li found a few topics to talk about, but unfortunately, Qiao Nian was not in a good mood. She didn't ignore him, but she only acknowledged him.

It was no different from ignoring him!

Anyway, he had hit a wall!

The taxi drove steadily. Jiang Li gradually calmed down. Qiao Nian took out her phone and sent a message to someone.

Then, she thought about it and looked at the young man sitting upright in the rearview mirror, looking like he had done something wrong. She suddenly felt a headache and called a number from her contact list.

Zhang Yang was playing with Tang Ning and the others when he received the call.

Seeing the caller ID, he suddenly stopped and threw the cards on the table. He then asked the person beside him to take his place and immediately stood up to walk out with his phone.

Outside Lan Pavilion's private room, the exquisite rockery and spring water rang. He strode out and picked up the phone nervously.

"Hello, Miss Qiao. What's the matter?"

"Can you make a reservation at the hotpot restaurant you brought me before?"

The girl's voice was as hoarse as ever. It was a little different from the delicate and cute voice of girls of the same age.

Zhang Yang did not dare to delay at all and immediately said, "Sure. Miss Qiao wants to make a reservation? How many people? The hall or the private room?"

"Three people. I want to book a private room," Qiao Nian said calmly. "Can we book the entire place?"

Jiang Li's identity was still too ostentatious in the country. He had too many fans. Anyone who saw him probably could not have a good meal.

Zhang Yang was stunned. She wanted to book the entire place... She was quite arrogant!

However...

"Probably!" He reacted quickly and immediately made a decision. "How about this? Miss Qiao, wait for me there. I'll come over immediately. They don't know you, so it's more convenient for me to come over and tell them."
