

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1144

Outside the Imperial Mansion, Gu San rushed in to look for someone in the private room.

When he reached the elevator, he met the person he was looking for.

“Master Wang?!” He was stunned. He looked at the man who walked out of the elevator and instinctively moved aside to make way.

When the man walked out, he snapped out of it and remembered why he had come over. He slapped his palm against his face and ran after him.

“Master Wang, something happened to Miss Qiao!”

Walking in front, the man who was flipping through the pinned WeChat conversation and was planning to send a message suddenly stopped and turned back to look at him with deep black eyes.

Frustrated and anxious, Gu San explained what had happened.

In the end, he looked up and finished the explanation, “...Young Master Jiang has already clarified on Weibo that Jiang Xianrou is only trying to ride on Miss Qiao’s popularity. However, some fans still don’t believe it and feel that Young Master Jiang is deliberately saying this to protect Miss Qiao and Qing University’s face. Some people are also blowing up the school’s official website and asking the school for an explanation.”

Netizens wanted an explanation?

What explanation?!

What did they want Qing University to explain? Miss Qiao was Zhui Guang, to begin with. It was already good enough that they did not demand an explanation from Jiang Xianrou!

“I asked Miss Qiao’s classmates. They said that Miss Qiao went to dinner with her father. So far, Miss Qiao hasn’t responded to this matter. I don’t know if she saw the news online.”

After all, this was a family matter.

.....

In addition, Jiang Xianrou had been in Master Wang’s circle for so long. Young Master Qin and Master Wang had always treated Jiang Xianrou as their younger sister.

This matter was really not easy to deal with!

“Master Wang, should we interfere in this matter?” Gu San looked at him hesitantly.

Ye Wangchuan fiddled with the prayer beads on his wrist and lowered his eyes. His expression was calm, and it was difficult to read his emotions. He did not answer immediately. After a long time, he said, "I remember that Wen Ruxia has a video?"

"Huh? What video?" Gu San was dumbfounded. Then, he realized what he was talking about. "Master Wang, are you talking about the VCR that Miss Qiao recorded to promote traditional culture, the one that was broadcasted on television?"

"Mm."

"I remember that there was such a thing. At that time, Miss Qiao's appearance caused quite a stir on the Internet. She even trended on Weibo..."

Before then, everyone had believed that Zhui Guang was a male, probably a mature man in his thirties.

In the end, the moment Qiao Nian's VCR was released, it was obvious that it was a girl.

Everyone could tell from the voice that she was young.

At that time, the trending searches on the Internet exploded.

Many of the experts had even handled that VCR technically. They had tried their best to crack the mosaic created by the television station.

However, the television station had done their homework before including the mosaic, and the technology experts on the Internet had no choice but to give up.

It was said that it was Master Nie's idea not to let Miss Qiao show her face.

Wen Ruxia respected Nie Mi very much. That recording was a top-secret file in the television station. Other than Wen Ruxia, no one else saw Zhui Guang's true appearance.

Gu San thought quickly and immediately understood what Ye Wangchuan meant by mentioning the VCR at this moment. He immediately asked, "Master Wang, shall I contact Miss Wen and ask her to publicize the original VCR?"

If he understood correctly, that was what Master Wang meant, right?

"Go." Ye Wangchuan's tone was deep and powerful. It was soothing and sounded very pleasant.

It was just that...

Once the content of the VCR was published, Jiang Xianrou would be sentenced to death in public. It would be a complete slap in the face!
