

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1146

Ten minutes later, Wen Ruxia returned to her seat with a serious expression.

“Aunt, who called you? You actually went outside to answer the call.” Wen Ziyu was young and was not really mature. After asking casually, he couldn’t hold it in anymore and asked again. “You haven’t answered me. Is Jiang Xianrou Zhui Guang?”

Wen Ruxia’s head hurt when she heard Jiang Xianrou’s name.

She picked up the cup of coffee in front of her, took a sip, and placed it on the table again.

“Do you really want to know?”

“Of course, I want to know!” Wen Ziyu almost blurted out. Wasn’t that obvious!

Seeing his aunt’s solemn expression, he forcefully endured it and said with a worried expression, “Could it be that Jiang Xianrou is really... Zhui Guang?”

He answered his own question.

He cursed.

“Sh\*t! How could it be her?”

Zhou Yang, Fu Ge, and the others were also very interested in Wen Ruxia’s answer.

After all, it had always been a mystery what the venerable Zhui Guang looked like. So many people on the Internet had tried all means to break the mosaic.

If they knew what Zhui Guang looked like, they would brag about it for a year!

.....

“Aunt Wen, is Senior Jiang Zhui Guang herself?” Zhou Yang looked at Wen Ruxia excitedly.

While Wen Ruxia was out on the phone, they asked Wen Ziyu about the farce on Weibo.

At this moment, they were all dumbfounded, waiting for Wen Ruxia to reveal the final mystery.

Who knew.

Wen Ruxia clasped her hands and sat for a few seconds, thinking.

After a moment, she looked up again and met a few pairs of eyes that were eager to know the truth. She said with a calm expression, “If you want to know, just search on Weibo.”

Zhou Yang was confused.

Wen Ziyu couldn't hold it in anymore. "There are all kinds of rumors on Weibo. How would I know if anyone is telling the truth?"

Wen Ruxia glanced at him and picked up her cell phone. She leaned back and said calmly, "Look at my Weibo. You'll know soon!"

She opened Weibo on her cell phone and pulled out an encrypted folder. There was a video inside.

It was about five minutes long.

Before Wen Ruxia put up the post, she looked up at her nephew sitting opposite her and said hesitantly, "Wen Ziyu."

"Ah?"

Wen Ziyu was waiting for her to reveal the truth when she suddenly called his name. He looked up again, his handsome face filled with impatience.

"Aunt, can you not play with me? Can you just give me a quick death! Don't keep shocking me. My heart is about to stop beating because of you."

Wen Ruxia was amused by his words and smiled. Her well-maintained skin glowed with the energy of youth. It was impossible to tell her true age as her own aura was quite charismatic. She had the charm of a mature woman when she smiled.

Zhou Yang was stunned.

He sighed with emotion. A beauty was a beauty. A beauty of older age was also a beauty. A great beauty~

"I just wanted to ask if you would consider liking someone else," Wen Ruxia said unhurriedly.

Wen Ziyu frowned fiercely. Most of the blood in his body turned cold as he stared at her face. "So... Aunt, you mean that Jiang Xianrou is really Zhui Guang?"

Wen Ruxia did not know whether to laugh or cry. She couldn't understand why his brain worked differently from normal people. "I never said that."
