

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1147

Wen Ziyu did not believe her. "If that's not what you mean, why did you suddenly ask me to like someone else?"

Unless Jiang Xianrou was Zhui Guang, his aunt must have been crazy to suddenly mention this topic!

Wen Ruxia looked at him deeply. Her eyes were filled with sympathy and amusement. After a long time, she retracted her gaze and methodically posted the edited Weibo post without looking up. "It's nothing. I just think you're thinking too much."

The person from the Ye family had already targeted Zhui Guang in Rao City.

After Zhui Guang came to Beijing, that person from the Ye family was everywhere and kept Zhui Guang under his protection!

Given how domineering that person was, wouldn't Wen Ziyu be courting death if he wanted to snatch his girlfriend?

Of course, Wen Ruxia did not think that Qiao Nian would take a fancy to her silly boy.

After all, besides the person from the Ye family, the more she observed Qiao Nian, the more frightened she became. Yuan Yongqin from the Cheng Feng Corporation, Su Huaiyuan from Rao City, the Wei family, Master Nie, Mr. Huang...

Qiao Nian had so many connections in Beijing.

Someone with such connections could not be underestimated.

Besides, she was only an 18-year-old girl. She still had a long way to go. She believed that when Qiao Nian grew up, something in Beijing would change!

"Ziyu, I'm seriously advising you. Take a liking to someone else, you're not suitable for her." At this thought, Wen Ruxia's gaze softened. She looked at him and advised him gently, "You and Qiao Nian won't have an outcome."

.....

Wen Ziyu was so confused by her that he did not even notice that Wen Ruxia had already posted on Weibo. He touched his earring and was quite anxious. He said irritably, "Aunt, why are you just like my parents? You like to talk to me about the same old things. The idea of two people having to be of equal social status has long become outdated. Anyway, I won't marry someone I don't like!"

"I don't think she's not worthy of me. She has good grades and is beautiful. I quite like her, so I want to woo her. I've already thought it through as long as she's willing to date me. It doesn't matter if my family doesn't agree, I just want to be with her!"

Wen Ruxia waved her hand. "That's not what I meant. I'm not saying she's not good enough for you."

“Then, what do you mean?” Wen Ziyu was not happy.

He didn't even have her contact information, but he really liked Qiao Nian. To him, that kind of love wasn't just for fun. It was sincere.

For the first time, he truly liked someone and wanted to protect that person.

Previously, Fu Ge had said in front of him that Qiao Nian was not good in this aspect and that. He had even fallen out with him despite their brotherhood.

Now that Wen Ruxia was making fun of Qiao Nian, he felt a little unhappy.

Wen Ruxia knew what he was thinking when he saw his reaction. She couldn't bear to tell him the truth in front of his friends.

She simply said, “I posted on Weibo. Take a look for yourself!”

She did not think that Qiao Nian was not worthy of Wen Ziyu.

It was their family who was not worthy of her!!

Wen Ziyu was curious now.

He lowered his head. Under the urging of Zhou Yang and the others, he opened Weibo on his cell phone in a bad mood. He already felt that Jiang Xianrou might really be Zhui Guang.

Unexpectedly, he lowered his head and clicked on the video.

The video that Wen Ruxia posted was the video of Zhui Guang replacing Nie Mi as the introducer of traditional ethnic culture.

In the video, the girl was wearing a black T-shirt. Her skin was so fair that it dazzled the eyes. The person on camera seemed to have just come out of the shower and had the camera casually pointed at her face.
