

## **MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1148**

The video's pixels were extremely high.

It was obvious she had not used any beautifying filters.

The skin on the girl's face was fair and flawless, as dazzling as top-grade porcelain.

What was more eye-catching than her dazzling white skin was her face. Her facial features were exquisite and outstanding, and her charm was unique.

"Qiao... Qiao Nian???" Wen Ziyu was dumbfounded.

Zhou Yang, Fu Ge, and the others were even more dumbfounded.

Especially Fu Ge.

He looked at the girl in the camera who was introducing traditional culture in a slow tone. He felt as if he had been struck by lightning. His heart was beating fast, and a roar almost resounded in his brain.

Qiao Nian?

Qiao Nian was Zhui Guang?

He recalled what Zhui Guang said when she tagged Qiao Chen on Weibo: "Will you die if you don't pretend?"

Sharp and arrogant.

Her tone was exactly the same as Qiao Nian's when she was provoked!

Why hadn't he thought that Qiao Nian was Zhui Guang?

Fu Ge sat there stiffly. He did not want to watch the entire video. He was afraid that after watching it, he would not be able to help but wonder what he had missed...

He remembered someone telling him that once.

He had chosen Qiao Chen over Qiao Nian and had picked up a sesame seed while losing a whole watermelon.

At that time, he had thought that Qiao Chen was the real daughter of the Qiao family and that Qiao Nian was just an orphan picked up by them.

Qiao Chen had good grades, a gentle personality, and was a good pianist. She was also the school belle of First High School.

Compared to Qiao Chen, Qiao Nian was nothing.

At that time, he wondered if that person was crazy to say that he had lost his true treasure by choosing Qiao Chen.

But at this moment, he seemed to understand the contempt and disdain in that person's eyes when he looked at him!

...

In the Jiang family's old residence.

After Old Master Jiang finished dividing the last of the real estate, he exhaled and took a sip of the tea handed to him by the nurse. His pale face eased a little.

He returned the teacup to the nurse and looked around at everyone. He said with authority, "That's probably all. Does anyone have any objections?"

Tang Wanru was so angry that she could not speak. She would have rolled her eyes if not for her years of upbringing.

Despite the strong control of her emotions, she was still so angry that her face turned pale. She turned her head away and did not bother to say a word.

The old man was biased towards the first branch!

However, Jiang Zongnan did not fight for it. What could an outsider like her say?

She could only endure it!

Just because she was silent did not mean everyone would be.

After Jiang Xianrou was slapped, she acted like a wooden stake the entire time. The corners of her eyes and eyebrows were pulled down, and no one knew what she was thinking.

Hearing Old Master Jiang's question, she suddenly raised her head and glanced at the girl not far away with her beautiful eyes. Then, she restrained the resentment in her eyes and said demurely and gently, "Grandpa, I have something to say."

"Oh?"

Old Master Jiang looked at her with a complicated expression. However, Jiang Xianrou was his granddaughter, after all. They were related by blood, so he did not say more.

"Just say it. After this division is finalized, we'll act on it accordingly in the future. If you have any objections, you should raise them now. I'll fall out with you if you cause trouble again in the future."

Jiang Zongnan frowned and wanted to say that he had no objections to this division.

Old Master Jiang divided it fairly and even favored their family. After all, most of the properties and real estate belonged to Big Brother and the others.

However, Old Master Jiang had handed over the most profitable and socially important business to him.
