

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1174

Wei Ying was from Ye Lan's generation.

There were at least two generations between Qiao Nian and Wei Ying. Ye Wangchuan asked Wei Ying to apologize to Qiao Nian in public, no doubt to throw Wei Ying's face on the ground and step on it.

Wei Ying's face changed in an instant as if she had been greatly humiliated!

Ye Wangchuan didn't even look at her. He was still calm, but the room was full of his coercion, and his slow tone was full of threats. "Aunt Wei, for you, an apology should be difficult?"

Wei Ying squeezed her palm and said nothing.

Shen Jingyan's eyebrows jumped and he stood up to smooth things out. "Young Master Ye, we did something wrong in this matter. We shouldn't have doubted Nian Nian without evidence. I'll apologize to Nian Nian on my mother's behalf..."

However, before he could finish speaking.

Ye Wangchuan obviously wasn't buying it.

"When did Bureau Shen change his surname to Wei?"

Gu San originally stood outside with Old Master Jiang and the others. Hearing the man's low, hoarse and casual voice, along with Shen Jingyan's black face, he couldn't hold back and burst out laughing.

Master Wang was impressive!

What a thing to say!

It would have been better if he hadn't laughed.

With his laughter, many of the Wei family's relatives had strange expressions on their faces. The way they looked at Shen Jingyan almost made him break down.

Shen Jingyan's hand hanging by his side clenched into fists and loosened. He loosened and clenched his fists, his forehead was black, and the veins on his temple were embarrassingly bulging.

He just didn't dare to really have a fallout with this young master.

"Young Master Ye, you have to forgive people!" His voice was deep. "After all, my mother is Nian Nian's elder. There are so many people here. I'm afraid Nian Nian's life will be ruined if you insist on asking my mother to apologize."

It would have been better if he hadn't said this. Ye Wangchuan didn't necessarily want Wei Ying to bow her head and admit her mistake today, but Shen Jingyan thought he was using Qiao Nian as an attack. Shen Jingyan happened to step on the minefield.

Ye Wangchuan didn't talk nonsense. He turned his head to the side and said to the girl, "Can you make a copy of the video?"

Qiao Nian raised her eyebrows, her black eyes pure. "Yes."

Her words were just as brief.

Ye Wangchuan looked at her lustrous lips. She was attractive and good, and he felt a little better. He said lazily, "Then, why don't you make a copy? I have nothing to do today. I'll send a copy to the city bureau."

This time, whether it was Wei Ying or Liang Lu, their expressions suddenly changed.

Shen Jingyan also looked at him in horror. He frowned, for fear that Qiao Nian would send a copy of the surveillance video to the police station. He hurriedly stepped forward. "Young Master Ye, this is a family matter, you don't need to make a big fuss by going to the police station!"

Everyone in the circle was smart. Even when dealing with their own family matters, they would circle around, let alone meddle in other people's business.

But this person was Ye Wangchuan!

Beijing's Master Wang was notoriously moody and always did things according to his liking.

No one knew whether he was just talking casually or seriously!

Once he was serious and this surveillance video was given to the police, then this matter was hard to say, and it would no longer be a family matter.

But any family with a head and face in Beijing wouldn't want to make this kind of thing a big deal.

This was especially true of top families like the Wei family.

No one could afford to fall out with this man!

"Didn't you threaten my girlfriend just now that you would call the police if she didn't apologize?" Ye Wangchuan smiled, but his eyes were cold and arrogant. "Why? You can call the police, but we can't?"
