

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1178

Ye Wangchuan's expression was calm. He suddenly spoke when he saw a shop outside. "Stop the car."

Gu San braked and stopped the car.

"Master Wang?"

Ye Wangchuan did not say much. He looked at the girl in the back seat of the car who was playing with her phone with her head lowered and with her seatbelt unbuckled.

He opened the door and got out.

!!

After a while, Gu San saw him return with two cups of milk tea.

He opened the back door and handed over the bag. "Stop playing with your phone and drink something sweet."

"Hmm?"

Qiao Nian was sending a message to Shen Qingqing and the others.

Shen Qingqing and the others arrived in Beijing and asked her if she had time to go out for a gathering after registering tomorrow.

She had just popped up in the group.

Turning around and seeing the drink in front of her, she silently reached out for it and then took a cup of milk tea from the bag.

It was still the familiar packaging.

It was still her favorite ice aloe.

She had always liked this iced drink. It was neither sweet nor famous. One cup was quite cheap and the sales were average.

But it suited her taste.

It wasn't that sweet. It was cold, and the sweetness was just right.

She would buy it when she was free.

But most of the time she was busy.

Ye Wangchuan had only bought it for her once and remembered that she liked this one. Later on, he often ordered it for her and bought the same one every time.

Qiao Nian pulled off the packaging on the straw and inserted it. Then, she took a sip. It was cold and was indeed good.

She saw another drink in the bag and looked up at him. "There's one left. You're not drinking?"

Seeing that she was finally in a better mood, Ye Wangchuan's thin lips curled up slightly. He pressed her cap, then retracted his hand and smiled. "I'm not drinking it. You drink it."

"I bought the two for you. You can have the other one later."

Qiao Nian pursed her lips. The drink now felt a little hot, and she was quite agitated. She glanced at him again, her beautiful black eyes serious. "You..."

Ye Wangchuan did not wait for her to finish. He placed the remaining cup in the car and turned to look at her. His arrogant eyes were casual and lazy. "I have no choice. I have to become an official in advance."

Tsk!

Qiao Nian's tense shoulders suddenly relaxed, and she was speechless.

Ye Wangchuan only said that. After closing the door, he turned around and walked to the front passenger seat to get into the car. He then said to Gu San, who was forced to witness them flirting, "Let's go back."

Gu San did not want to speak anymore. Indeed, there was always an innocent single dog beside every couple.

He was still wondering why Master Wang asked him to stop halfway.

So it was to buy drinks for Miss Qiao.

Master Wang was head over heels for her just based on this level of consideration!

...

On the other side.

Jiang Xianrou was still furious about the separation. She had been in a bad mood and had yet to digest the fact that she had to move away from the old residence.

She received a call from Liang Lu at this moment.

Just as Gu San had thought, Liang Lu knew that her reputation was ruined this time, but she still wanted to make one last struggle.

She was worried that Ye Wangchuan would take his anger out on her later.

Therefore, she thought of Jiang Xianrou's relationship with him and how her favorite student was considered to be in Ye Wangchuan's circle. Thus, she called to beg her.

She definitely had to tell Jiang Xianrou the entire story.

However, she did not say anything about the surveillance footage. She only emphasized that Qiao Nian had pushed the responsibility of Old Master Wei's death to her. She asked Jiang Xianrou to call Ye Wangchuan and help her explain Old Master Wei's health condition. He wouldn't have lived for long even if he had not undergone surgery.
