

## **MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1198**

His friend reacted and looked at the girl in the crowd. He was amazed. "Oh, I was wondering why your sister's nickname was Qiao Nian and not Xianrou. So it's your cousin. Jiang Yao, your cousin is so beautiful!"

Qiao Nian was really beautiful.

She was also eye-catching.

If Qiao Nian wasn't beautiful, Jiang Li, who was used to seeing beautiful women and handsome men in the entertainment industry, would not have exclaimed when he saw her for the first time in Rao City.

That kind of beauty meant that she was the most eye-catching existence in the crowd even if she did not spend any effort dressing up.

!!

In addition, Qiao Nian's aura was unique. It was hard to forget her at first glance.

The other party was usually overseas and had seen many blonde and blue-eyed beauties. Compared to the bland looks of the girls in the country, he thought that foreign girls had more curves and were more beautiful. In a way, they were indeed more beautiful.

It was only when he saw the girl who had just walked past their car from the coffee shop that he was stunned. Tsk, it was unforgettable!

He had never thought that Jiang Yao would have such a beautiful cousin.

"You said she came from Rao City? The third-tier city?" His friend was still immersed in Qiao Nian's eye-catching appearance and showed a strong interest in her. "I didn't expect the mountains and rivers in such a small place to be so nourishing. They raised such a good-looking girl. It's just that she's a little too young. Has she just entered university?"

"A freshman."

Jiang Yao and Xu Jishen were both from Tian Chen and could be considered colleagues. Xu Jishen's ability at work was better than his, so it was very likely that he would be promoted to become his leader first.

Although they were friends, Jiang Yao was very polite to him. The main reason was that those who could enter Tian Chen were all elites among elites. Moreover, it was not that Xu Jishen did not have a good background. Coupled with his outstanding ability, he would definitely develop better than him in the future.

If he wanted to make connections for the Jiang family and have a better life in Tian Chen, he definitely had to form a group and have his own connections.

Xu Jishen was one of his connections.

Therefore, even though he was frustrated at this moment, he still tried his best to control his emotions when he spoke to him. "She's not easy to deal with. My family is in chaos because of her. I came back this time because of her."

"Eh? I only heard that you had family matters to attend to. What has it got to do with your cousin?"

Jiang Yao sneered. "My mother called me and said that my uncle has split up with our family because of her. We're moving out of the old residence. She didn't know which books I wanted in my room and asked me to come back and organize them."

Xu Jishen frowned and silently looked in the direction where the girl had left when he heard this.

The girl's back was straight.

It was impossible to tell that she was the kind of person Jiang Yao was talking about.

"Then, your cousin is quite impressive."

"She's quite powerful... People from small and less well-off families always have more thoughts and schemes than others. It's normal." Jiang Yao placed his hand on the steering wheel and did not hide his disgust. He did not have a good impression of the so-called cousin that his uncle had found.

Tang Wanru and Jiang Xianrou had mentioned Qiao Nian to him on the phone. She seemed to be a very shrewd girl.

She had coaxed her grandfather and uncle at such a young age.

It was said that this time, their father even slapped Jiang Xianrou.

Ha, not many in Beijing had this ability!

"Forget it. Let's not talk about this."

Jiang Yao didn't want to continue talking about this.
