

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1223

The message she sent to Fu Ge was like a stone sinking into the sea. From the day she sent it, she had not received any reply.

She did not hear that he had caused trouble in school.

Yin Wenzhi's expression was ruthless, and her eyes gradually turned cold. The corners of her mouth twitched, and she sneered before hiding her cell phone again.

She knew why Fu Ge was afraid to make a scene.

The last time she saw Qiao Nian's "boyfriend" picking her up, she did not recognize the car logo. However, she had checked the price online.

!!

It was just over eight million yuan.

Eight million. She had never seen so much money in her life. In her town, anyone with eight million in savings was definitely one of the richest people in town.

Qiao Nian's boyfriend's car cost eight million yuan. She had read online that one might not be able to buy this car even with the money.

Because that car was a limited edition. Anyway, ordinary people could not drive it casually.

Those who could afford that kind of car were not ordinary people.

Fu Ge had made it clear that he did not dare to provoke Qiao Nian's 'boyfriend'. That was why he had admitted defeat and cowered like a turtle, not daring to say a word.

While feeling uncomfortable, Yin Wenzhi bit her lip and felt quite sad and pathetic.

It was because she was like Fu Ge. Wasn't it also because she was afraid to cause trouble that she was so aggrieved and let others snatch the opportunity that belonged to her?

She was a poor child from a small town. She had no money or background. What else could she do other than endure such a thing?

A look of sorrow appeared in Yin Wenzhi's eyes, but she also felt that she was a rare talent. Like Qiao Nian, she came from a small county.

She was a rare species.

Qiao Nian had only done a little better than her and was a little prettier than her. She wasn't bad-looking, and her results were not bad either. In fact, she was even more hardworking. Why was there such a huge difference in fate between people?!

“Why are you here?” Yin Wenzhi stood in front of the school building in a daze, holding her books. The more she thought about it, the sadder she became and the more tears welled up in her eyes.

Just then, someone called out to her from behind.

She turned around and saw a familiar face. It was Zhou Moyan and her friend.

“Moyan, who is this?” A sloppy boy had one hand on Zhou Moyan’s shoulder as he sized her up with a teasing and slightly stunned gaze.

He looked like he was up to no good.

Zhou Moyan pushed the other party’s hand away in annoyance and said, “My classmate. We’re from the same faculty.”

Then, she turned and asked Yin Wenzhi, “Why are you here?”

She frowned and pursed her lips upon seeing that the corners of her eyes were red and she was still wearing the cotton dress. Her voice softened as she asked, “Are you okay?”

Yin Wenzhi shook her head. She was in a bad mood and did not want to talk much with them, so she just said, “I’m fine.”

“Moyan, we’ve already bumped into each other. Introduce us.” As soon as she finished speaking, the boy spoke casually again. His tone was frivolous and glib.

Yin Wenzhi frowned unhappily, and her expression darkened. On Zhou Moyan’s account, she did not immediately leave.

The other party kept pestering her with questions, so Zhou Moyan could not ignore him completely. She casually introduced, “Yin Wenzhi.”

She then said to the girl, “This is Zhu Yuanhao, my friend.”

Yin Wenzhi only wanted to leave quickly, so she just greeted the other party perfunctorily. Since the other party insisted on adding her on WeChat, she added him out of courtesy.

After she parted ways with the two of them.

Yin Wenzhi wanted to delete the new person on WeChat, but she stopped when she saw the other party’s profile picture.
