

## **MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 123**

Qiao Chen bit on her lips as her face turned pale. She refused to apologize.

Her friends tried to protect her and said, "It's just a mistake. Must you be so insistent?"

Liang Bowen couldn't stand it anymore and said, "You guys created such a big ruckus in our class. It's our right to ask for an apology."

"That's right."

The other students from Class A exclaimed, "Apologize! Otherwise, we are not letting this slide."

"You guys are incapable of looking after your bracelet. You even accused one of us of stealing it. We have proven that the bracelet isn't yours, why are you not apologizing?"

Qiao Chen had never been so insulted before.

She looked at Qiao Nian and thought that she would forgive her like last time.

But all she saw was a cold expression. It was obvious that she wouldn't compromise today.

Just as she was hesitating.

Qiao Nian spoke, "You can choose not to apologize, but I will ask Principal Yu to settle it for us."

Principal Yu was taking the professor from Qing University around the school right now!

There were rumors that important people of the city were here too to attend his lecture later.

She was the most famous person in First High School, the only student that managed to get a guaranteed spot in Ren Yi.

The professor was invited by Fu Ge too. What would he think of her if he saw that she was arguing over a bracelet?

Qiao Chen was an objective person. She planned to head to Beijing so that she could marry into riches. That was how she planned to get into the upper echelon of society.

Hence, she already decided after hearing of Qiao Nian said.

She walked up to Shen Qingqing, lowered her head, and then softly apologized. "I'm so sorry Shen Qingqing. It's my fault for accusing you wrongly. I saw that your bracelet was from Seven and thought that it was the one I lost. It's my mistake."

Everyone knew that Seven used real diamonds in their accessories, and they cost a bomb.

Qiao Chen's family had a business. It was normal that she could afford it.

Shen Qingqing was from a normal family, how could she afford something from Seven?

Hence, even though Qiao Chen sounded sincere in her apology, she pinned the reason she saw it wrongly on Shen Qingqing.

I only saw it wrongly because you are wearing a fake bracelet.

Even though Shen Qingqing wasn't smart, she wasn't an idiot as well. She immediately knew what she meant. She wasn't sure of the brand of the bracelet Qiao Nian gave her.

But Qiao Chen was accusing her of wearing a fake bracelet. Her immediate reaction wasn't to blame it on Qiao Nian.

She held her bracelet and said, "It's my freedom to wear anything I want. Are all Seven's products yours? Do you own Seven?"

Qiao Chen's face turned pale. Her lapdog started to retort. "You're the one wearing a fake good. Even though Seven isn't a Qiao Family business, everyone knows that they have a good relationship with Cheng Feng Corporation. She didn't even say outright that your bracelet is fake, and yet you dare to be so loud."

Seeing that Shen Qingqing was insulted, Liang Bowen frowned and wanted to help her.

However, Qiao Nian was faster than him. She pulled Shen Qingqing by the hand and stood in front of her. She then had a stand-off with Qiao Chen.

"Who told you it's a fake?"
