

## **MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1245**

Qiao Nian knew that Qin Si had been eyeing the sniper rifle for a long time. She didn't know whether to laugh or cry upon hearing what he said. She twisted her white wrist and said casually, "Okay. I'll help you draw it. I'll tell you when I get it."

Qin Si achieved his goal today. He felt better and no longer felt aggrieved. He quickly got up and said, "Sister Qiao, I'll treat you to a meal if you draw it."

Qiao Nian raised her eyes, feeling as if she had already drawn it. "I want to eat hotpot at the old place."

Qin Si smiled, returning to his usual carefree manner. "Alright, I'll go wherever you say."

He turned his head and said to Ye Wangchuan seriously, "Master Wang, Sister Qiao likes that hotpot restaurant so much. Have you considered investing in a hotpot restaurant or something?"

!!

He knew that Ye Wangchuan had many businesses all over the country. For example, many hotels in Rao City were under him.

However, most of Ye Wangchuan's investment business was just for fun.

Qin Si had never seen him care about them.

He had a feeling that other than these businesses, Master Wang had other businesses that he did not know about.

However, no matter how close they were as friends, he would not be insensible and insist on getting to the bottom of it if the other party did not want to say it.

Who didn't have a secret or two these days?

Ye Wangchuan glanced at him coldly.

Qin Si immediately shut his mouth.

Bo Jingxing stood up and said to them, "I should leave soon. Miss Qiao, I won't disturb you anymore. Good night."

"Good night." Qiao Nian looked up, still holding her phone in one hand. However, she put down her phone politely and looked up at him when he spoke to her.

Bo Jingxing nodded.

Qin Si leaned forward shamelessly. "Good night, Sister Qiao~ Remember to wash your hands before drawing for me! All the best!"

The corners of Qiao Nian's mouth twitched. She was speechless. She almost wanted to say, "I take back what I said just now. You should draw it yourself!"

Fortunately, she held back.

Qin Si was just joking with her.

Then, he revealed a satisfied expression and followed Bo Jingxing out with a smile.

Seeing that they were about to leave, Gu San followed. "Young Master Qin, let me send you out."

The apartment returned to its former peace after they left.

At this moment, Qiao Nian stood up and whispered to the man on the sofa, "You play first. I'll go upstairs to settle something."

"Do you want milk?" Ye Wangchuan knew that she had come out to be polite to the guests.

Since the "guests" had left, Qiao Nian must have something to do.

After all, she was quite busy.

"No, I drank too much tea in the afternoon. My stomach feels a little uncomfortable. I'll just drink plain water." Qiao Nian picked up the half-drunk Evian water and leisurely walked up. She said loudly, "I'm going up."

Ye Wangchuan stared at the girl's figure as she was about to go upstairs. He did not force her to stay. He only raised the corners of his eyes and said seductively, "Nian Nian, there are still 10 days."

Qiao Nian was holding a bottle of mineral water and had one foot on the stairs. Hearing his words, she stopped and turned around, her eyes filled with confusion. "What 10 days?"

Seeing her confused expression, Ye Wangchuan gritted his teeth in anger and almost laughed.
