

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1249

"How did you know?" Jiang Xianrou was shocked.

Tang Wanru ignored her shocked gaze and continued, "Why did you go to the television station?"

Jiang Xianrou was silent for a moment before telling her, "It's nothing. I heard that a promotional video for the sports competition is going to be filmed in China. The Wen family found the world-renowned director, George Lucas. I just want to try. It will be a bonus for me if I can get the female lead role."

Their circle looked down on people who entered the entertainment industry. It was fine to play, but it would be embarrassing if they played like Jiang Li.

Jiang Xianrou had long planned her future.

She had never thought of entering the entertainment industry, nor did she care about it.

However, she had a brother who was a top celebrity. There was no reason not to use this connection!

Therefore, she went to the television station to see Wen Ruxia and suggested to her that she could film this MV with Jiang Li.

Tang Wanru's brows relaxed slightly when she heard this. She guessed that Jiang Xianrou had an idea and tacitly agreed to her daughter tying up her son. She asked, "What did Wen Ruxia say?"

"I didn't see her." Jiang Xianrou swung her bag, feeling even more frustrated. "I went to the television station, but I was stopped by her assistant before I could see her. She said that she was in a meeting and couldn't see me today. The assistant didn't know when she would finish the meeting, so I came back."

Tang Wanru was not surprised by this outcome. After a moment of silence, she said, "Don't worry about this. I'll probe her later."

Jiang Xianrou nodded and was slightly less frustrated. However, her expression turned cold and stern when they were about to reach the private room. "Yes."

In the blink of an eye, they had already stopped in front of the private room they booked for tonight.

Before entering, Tang Wanru said in a low voice, "Xianrou, the MV is just a bonus. You have to get this straight. Your current focus is to pass Master Cheng's laboratory assessment as soon as possible! As long as you enter Master Cheng's team, your father and brother will naturally focus on you. When the time comes, you and your cousin will be strangers! Do you understand what I mean?"

"I understand."

How could Jiang Xianrou not understand what she meant? Qiao Nian had only been able to make a name for herself in the Jiang family because she had entered the group competition and brought honor to her family and country.

She would naturally be the most dazzling person if she could fight for greater glory for her family.

The future of the Jiang family would return to her shoulders.

This included the grandfather who gave the old residence to her uncle's family. He would also reconsider the heir.

Jiang Xianrou held her breath and smirked to prepare herself. She said with a fake smile, "Let's go, Mom. Let's go in."

In the private room, Jiang Yao and Jiang Zongnan were both present.

Other than them, her aunt's family was also present, together with a few relatives of the family.

"Xianrou, you're here."

When the Jiang family's aunt saw Tang Wanru and her daughter enter, she immediately waved enthusiastically at her with an obsequious expression.

"Come and sit here. I reserved a seat for you."

Her maternal grandmother was middle-aged and senior among her relatives. Jiang Zongnan and Jiang Yao left her the main seat out of respect for their elders.

However, Yuan Qing seemed to not know who the main character of today's meal was. She pulled Jiang Xianrou over affectionately and said with a smile, "I haven't seen you for a long time. I miss you. How about Xianrou sit beside me today
