

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1270

“Brother.”

Jiang Xianrou greeted him with a forced expression. She pursed her lips and said, “It’s not that we don’t want to go in. The clubhouse has been booked.”

“You’re saying Half Mountain Clubhouse...?” Jiang Yao was dumbfounded. He looked very surprised and a little incredulous.

The Half Mountain Clubhouse was similar to Lan Pavilion. They were both high-class clubs. The people who came to such an occasion were either rich or noble. He had never heard of anyone who could book the entire place.

However, he knew that Jiang Xianrou was not lying to him when he saw her silent reaction. The clubhouse was indeed booked today!

Although Jiang Yao was shocked, he had no choice but to face the situation. He could only say, “Then, let’s go somewhere else. Anyway, it’s just a meal. There’s no need to insist on this place.”

Jiang Xianrou was unwilling, but since Qin Si was unwilling to help, she could only swallow her anger and reluctantly agree.

The group planned to change places.

At this moment, a girl who did not have much of a presence in the group suddenly exclaimed, “Qiao Nian?!”

Jiang Yao had already opened the door of the car. Hearing the girl’s name, he was stunned for a moment and subconsciously turned around to look.

He saw a familiar figure passing by in the clubhouse.

Her back view was cold!

She was wearing a black sweater, black pants, and a black cap.

Even though he couldn’t see her front, he recognized her at a glance.

Qiao Nian?

Why was she here!

Jiang Yao’s eyes were filled with shock. Before he could react, he heard Jiang Xianrou talking to the girl.

“Did you say Qiao Nian?”

Jiang Xianrou looked at the girl. The girl was tall and had a good appearance. There was a hint of arrogance in her eyes. It was obvious that she was a little prideful.

However, it was far from Qiao Nian's stunning aura.

She looked ordinary!

She remembered that this girl was brought here by Zhu Yuanhao. He had even introduced her to them and said that she was his new girlfriend.

Zhu Yuanhao was famous in the circle for being playful, and he especially liked to change girlfriends. Basically, he changed girlfriends every month, and all of them were good-looking.

Every few days, he would bring a new girlfriend over and introduce her to them.

Everyone was already used to it and did not take Zhu Yuanhao's so-called 'new girlfriend' seriously. After all, they were not in the same circle. Girls like Yin Wenzhi were just toys in their eyes. No one wanted to be friends with a toy.

"Who did you see?"

Yin Wenzhi felt her scalp tingle from her gaze. She tightened her grip on the bag Zhu Yuanhao had bought for her and pursed her lips. She said in a low voice, "A classmate of mine."

She could tell that Jiang Xianrou was actually suppressing her unhappiness. She recalled that Zhu Yuanhao had said that his friend had a deep background and knew many impressive big shots.

She thought of the spot that had been snatched away from her previously. Making up her mind, she looked straight into Jiang Xianrou's eyes and said, "Qiao Nian, the national top scorer of this year's college entrance examination. She's also studying at Qing University. She's in the same faculty as me. She's in her first year. I think I saw her inside just now."

At first, Jiang Xianrou thought that she had only met someone with the same name. But the other party's name was also Qiao Nian, and she also studied at Qing University and was in her first year.

More importantly, she was also the top scorer of this year's national college entrance examination!

How many top scorers could there be in the national college entrance examination every year?

Every word that Yin Wenzhi said matched Qiao Nian. Her eyes suddenly turned cold.
