

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1278

However, the weather had been hot for the past two days. He basically stayed in the ward and did not go out much during the day. He would only go out and walk around in the evening when the sun went down.

At this thought, Old Master Jiang couldn't help but say, "What brand is the health supplement you bought? I think it's much better than ordinary health supplements. This medicine is really not bad!"

He was not stingy with his praise, but he did not know that these ordinary 'health supplements' were hot cakes on the black market. Now, it was difficult to get a single pill!

The bottle Qiao Nian had given him had more than 20 pills. If he sold them on the black market, the entire black market would be in an uproar.

Unfortunately, Old Master Jiang didn't know that Qiao Nian had given him a small pill from the black market. He thought that she had given him a local health medicine from Rao City.

!!

"That medicine... If only it could be promoted." Old Master Jiang sighed with emotion.

Qiao Nian walked over and tucked him in. Her eyes darkened when she heard this. She retracted her hand and stood in front of his bed again, then said softly, "That day will come."

"Is that so?" Old Master Jiang was just mentioning it casually. He just felt that it was a pity that this Traditional Chinese Medicine health supplement was so good that it was only sold in Rao City.

However, he was happy when the girl said that it would be promoted all over the country in the future. A rare smile appeared on his face.

He looked at his little granddaughter and noticed the oranges on the cabinet. He quickly instructed his eldest son, "Why didn't you peel oranges for Nian Nian? These oranges are very sweet. Peel one for Nian Nian! You only know how to do it when I tell you."

"Yes, yes, yes. It's my fault." Jiang Zongjin seemed to be still a young boy in front of Old Master Jiang. As soon as Old Master Jiang reprimanded him, he immediately went to do it. He picked up the orange and said to Qiao Nian kindly, "Nian Nian, wait a moment. I'll peel an orange for you. Try it and see if it's sweet."

Qiao Nian was like an orange to Jiang Zongjin and Old Master Jiang, but she couldn't resist their enthusiasm. She nodded and didn't refuse.

Jiang Xianrou and Jiang Yao were also in the ward. From the moment Qiao Nian entered, she had become the absolute focus.

Not to mention his uncle, even Old Master Jiang had that attitude. Their attitude didn't seem like they were blaming Qiao Nian, but it was more like they couldn't wait to dote on her.

Jiang Xianrou was so angry that she laughed. She stood there and looked at the harmonious atmosphere in front of her with ridicule in her almond-shaped eyes.

She couldn't help but say coldly, "Uncle, have you and Grandpa forgotten something?"

This time, not only Jiang Yao, but even Jiang Zongjin frowned fiercely. His expression turned cold. He looked at her and replied indifferently, "Oh, I forgot something."

When Jiang Yao saw the expression on his uncle's face, he recalled that when he went to talk to him in private just now, his uncle had the same expression when he questioned him.

Disappointment, anger, and forbearance.

He seemed to be extremely disappointed in the siblings!

Jiang Yao's heart ached a little, and he didn't dare to look into his uncle's eyes. After hesitating for a moment, he decided to tell him about this.

He pulled Jiang Xianrou and asked her to stop talking. Walking around Jiang Xianrou, he walked to the girl who was full of banditry and greeted her gently, "Nian Nian, right? Hello, I'm Jiang Yao, your big brother."
