

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1286

Jiang Zongjin couldn't be bothered to acknowledge him. After Jiang Yao asked for trouble, he turned around and left.

The black Land Rover parked by the roadside reversed in less than two minutes and drove away, leaving only a plume of car exhaust...

After they left, Jiang Zongjin rubbed his temples as he felt a splitting headache. He took out his phone, looking anxious and guilty. "Nian Nian, don't be anxious. I'll call someone to pick us up."

The research institute he worked at had equipped him with a particular car. However, he had never used it and did not like to stand out.

However, he did not hesitate to use this special treatment now. He couldn't bear to see Qiao Nian suffer even a little.

!!

"There's no need." Qiao Nian stopped him, not letting him make the call. She calmly said, "I've sent Gu San our location. He's already on his way to pick us up. They'll be here in a few minutes. We'll go for a meal next. After that, I'll get him to send you back."

At first, Jiang Zongjin did not realize who she was talking about. Then, he instantly remembered who Gu San was when he came to his senses.

Gu San was Young Master Ye's right-hand man in Beijing!

Jiang Zongjin still didn't know that Qiao Nian was living with Ye Wangchuan. No one at home told him. They only said that Qiao Nian lived in Rhine Apartments.

Why did Nian Nian seem to be very familiar with Young Master Ye?

Jiang Zongjin was puzzled, but he subconsciously trusted Qiao Nian, so he had no intention of asking. He only felt a little puzzled.

Qiao Nian didn't know that he was puzzled.

The girl's face was exquisite. Her baseball cap was pulled down quite low. Her phone kept ringing, and new messages were sent from time to time.

Qiao Nian replied to Jian Jin and told her that she was fine.

She saw the QQ message from Wen Ruxia next.

She had given Wen Ruxia her phone number, but the latter rarely texted her. She seemed to be used to looking for her on QQ.

Qiao Nian clicked on the message.

Wen Ruxia sent her a few messages in an excited tone.

[Wen Ruxia: I've discussed it with the production team. They said that you can learn it at the last minute. You just need to know a few basic movements. It's very simple. I'll find a professional teacher to teach you. Big boss, do you have time?]

[Wen Ruxia: Don't worry. I know you're busy with the competition. It won't take you long. This MV will be filmed for a day at most. If you don't participate, this female lead role might be given to someone else. Compared to Jiang Xianrou, I think your image is more suitable for [Spark]! It would be great if you could appear on the screen.]

[Wen Ruxia: Boss, did you see the message? I hope you can reply to me when you see it. It's easy for me to arrange it.]

Qiao Nian had only casually skimmed through the messages. Her eyes darkened when she saw the person Wen Ruxia mentioned.

Her finger touched the name.

Jiang Xianrou.

Tsk, Jiang Xianrou wanted to film the MV for [Spark]?

Qiao Nian raised her eyebrows, looking surprised.

She guessed that Jiang Xianrou probably did not know who the author of this theme song was. Otherwise, with Jiang Xianrou's personality, she wouldn't have rushed to grab this opportunity.

However...

Her eyes turned cold, and her gaze was dry and a little arrogant.

She opened the editor and replied to Wen Ruxia.

[QN: I'll take this MV.]

She did not wait for Wen Ruxia's reply as she calmly put her phone back into her pocket and chatted with her father.
