

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1291

Only a handful of people in the illegal district could be called big shots.

There was Lu Zhi.

As well as Jian Jin.

Even the Jiang family might not be able to reach this height. Their family was not qualified to come into contact with these people. If they had to say who was qualified to play with these people in Beijing, it would be that person from the Ye family!

Xu Jishen couldn't help but sigh. "Jiang Yao, didn't you tell me that your cousin came from Rao City? I don't think so! Miss Jiang might not even know these people!"

The Miss Jiang he was talking about was clearly Jiang Xianrou.

Jiang Xianrou was famous in Beijing for being able to play with Qin Si's small circle.

Her status was not low.

In the Jiang family, Old Master Jiang and Jiang Zongnan thought highly of her because of this.

Now that someone was pointing at her nose and saying that she wasn't qualified to know someone Qiao Nian knew, Jiang Xianrou felt an incomparable pain on her face. It was even more painful than being slapped by her father. Her ears were buzzing, and her mind was a mess.

She couldn't accept it for a moment. "How did Qiao Nian know Jian Jin..."

She did not speak loudly, but Jiang Yao and Jiang Zongnan heard her. Unfortunately, no one else paid attention to her.

Jiang Yao was still in shock. "Young Master Xu, are you mistaken?"

"How could I be wrong?" Xu Jishen said with certainty and confidence. "I can't be wrong! That's why I asked you if the sports car your cousin's schoolmate saw was the car in the photo. If you didn't take the wrong car, then your cousin knows the big shot in the illegal district. Jiang Yao, your sister is extraordinary~ When you're free, recommend me to her. I'll treat you."

What else could Jiang Yao say? He opened his mouth but could not say a word. He didn't expect Xu Jishen to find this result from checking the license plate number.

Qiao Nian knew a big shot in the illegal district... He had never associated Qiao Nian with the illegal district!

Jiang Yao hung up on Xu Jishen with an unknown expression.

Before he could digest the news, he saw that his father's expression was extremely ugly. With a straight face, he said to him seriously, "... The company almost reached a cooperation with JC Corporation previously, but today, JC suddenly informed us that we had offended one of their higher-ups. They terminated their handover to us."

Jiang Yao originally could not digest the information revealed by Xu Jishen's call. Upon hearing what his father said, his handsome face became even more solemn and he could not recover for a long time.

Was it really such a coincidence?

However, how could Qiao Nian know someone from the illegal district? And it was someone at Jian Jin's level. It had to be known that he and Xu Jishen had yet to come into contact with someone at that level.

Qiao Nian had been living in Rao City and had only come to Beijing recently. How could such an ordinary girl come into contact with these people?

And the mysterious diamond big shot behind Jian Jin...

Jiang Yao felt like he was trapped by an invisible net. He vaguely grasped some information, but it flashed past in an instant.

He had no time to investigate.

Jiang Yao said, "I'll call Qiao Nian."

...

In a private room on the second floor of the Imperial Mansion.

The girl was sitting in a seat by the window. Her exquisite eyes were wrapped in clarity. Her shoulder bag was beside her hand, and her phone was on the table.

The dishes had just been served when her phone rang.

Qiao Nian hung up and put the phone back when she saw that the call was from Jiang Yao.
