

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1308

At the entrance of Qing University.

The black flag slowly stopped the car.

"We're here." Ye Wangchuan placed a hand on the steering wheel and pressed down the window to let the air in.

Qiao Nian saw the familiar environment outside and was about to unbuckle her seatbelt and get out of the car when someone suddenly grabbed her wrist.

She raised her eyebrows and saw a certain someone's calm and lazy smile. The noble aura between his eyebrows was unrestrained. He leaned against the driver's seat, and his black windbreaker perfectly outlined his broad shoulders and strong waist.

"Aren't you going to say goodbye to me before you leave?" It was quite seductive!

Qiao Nian was speechless.

Seeming to think that it was not enough, his slender hand pinched the girl's wrist. His fingertips were clearly not hot and were slightly cold, like the cold wind in the summer.

Qiao Nian felt as if the skin on her wrist was on fire. The fire burned upwards, almost burning her heart.

She instinctively frowned slightly. A hint of obvious impatience flashed across her face, and then her gaze subconsciously fell to his lips.

Ye Wangchuan's lips were very beautiful. They were thin and curved slightly. When he did not smile, his attractive handsome face seemed to have a hint of a smile. As for whether he was really smiling, only he knew.

Qiao Nian felt that he looked pretty good even if he didn't smile.

He was just a little too good-looking!

Who did not like good-looking people? It was a pleasure to take a few more glances at beautiful things, not to mention that he was always swaying in front of her.

"How do you want to say goodbye?" Qiao Nian's throat was a little dry. Her voice couldn't help but turn hoarse. Her gaze was still on his thin lips.

She narrowed her eyes again, her gaze revealing danger.

Ye Wangchuan had only wanted to tease her when he suddenly saw that she was staring in the wrong direction. His Adam's apple bobbed, but he did not have the chance to speak.

"Like this?" The girl's voice was hoarse. She leaned forward, already moving.

Just like last time, she suddenly attacked like a cheetah.

Ye Wangchuan felt his thin lips being bitten almost the next second. It was not hard and it hurt a little. The other party seemed to be punishing him as she took a small bite and wanted to run.

He immediately reached out and wrapped his arm around the girl's waist, pressing her back into his arms. His eyes darkened as he took the initiative. His hot lips covered hers and deepened the kiss.

The girl reacted strongly at first and her entire body immediately stiffened.

Ye Wangchuan was not in a hurry. The palm on her waist kept comforting her emotions and gently stroked her back.

Finally, Qiao Nian's tense back muscles gradually relaxed. Her reaction was not as intense as before, as if she had relaxed from her initial resistance.

Ye Wangchuan's eyes darkened. He pecked again and pried open her guarded lips. Step by step, he was like a patient teacher teaching her how to kiss someone.

Qiao Nian felt as if a ball of fire had ignited in her chest, about to burn her to ashes.

Finally, after 10 minutes, it seemed like another century.

The hand on her waist finally let go. He slowly ended the long kiss.

The corners of Qiao Nian's lips hurt a little. She didn't need to look to know that her lips were definitely swollen. However, she didn't care about the tingling pain that felt like an ant had bitten her. Her black eyes restrained their anger. She pressed down the brim of her cap, unbuckled her seatbelt, opened the door expressionlessly, and got out in one go.

"Bye."

Ye Wangchuan watched as she stood by the car coolly and watched him leave. For a moment, he was stunned and almost did not react.

He couldn't help but laugh. He felt that her reaction was very much like Qiao Nian's. She had the personality of a big boss!
