

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 134

“Nothing, it’s nothing.”

Shen Qiongzhi only wanted to make sure of his relationship with Qiao Nian. She didn’t dare to ask him more questions after how coldly he treated her. She then looked at Qiao Nian.

She eagerly asked, “Qiao Nian, aren’t your parents from Luohe County? What’s up between you and Professor Jiang? How could he be your father? There might be a mistake.”

“Damn!”

Everyone from Class A wanted to expose her for what she was doing now—bullying the weak.

Qiao Nian looked at her coldly. She was used to it already.

The Qiao Family wasn’t only prideful, but they also liked to bully the weak.

Shen Qiongzhi was the same as well.

“Even if he wasn’t my dad, he wouldn’t be Qiao Chen’s dad as well.”

Shen Qiongzhi never expected this behavior from her. She frowned instinctively and screamed. “How dare you talk to me like this!”

Qiao Nian looked at her coldly. She put her phone in her pocket and asked, “How do you want me to speak to you?”

“You...” Shen Qiongzhi wanted to continue the scolding.

Before she could say anything.

Jiang Zongjin stood in front of Qiao Nian and looked at her angrily. He said, “That’s enough, Madam Qiao. You have no right to lecture my daughter!

“I don’t know where you got the audacity to ask me about my family matters. But we don’t need you to educate my daughter!”

Shen Qiongzhi immediately backed down seeing that he was angry. She then tried to explain herself, “Professor Jiang, I don’t mean it that way. I...”

Jiang Zongjin yelled. “I don’t care what you mean!

“Madam Qiao, you should pay more attention to yourself and your daughter.”

He turned to take a glance at Qiao Chen and then said, “A student should come to school to study. There’s no need for her to dress up so nicely to get everyone’s praises.

“Since you’re incapable of taking care of your daughter, you shouldn’t be concerned with my Nian Nian!”

Everyone then turned to look at Qiao Chen. Shen Qingqing laughed uncontrollably.

Qiao Chen’s face turned pale again.

She felt humiliated.

She realized that she didn't like her dress from Seven that much anymore. She was so humiliated that she just wanted to escape from this place.

After he was done, he turned to Qiao Nian. Everyone could see the love in his eyes as he asked, "Nian Nian, are you hungry?"

Qiao Nian could tell how worried he was. He was worried that she would be hurt from what the Qiao Family said. She was touched. Hence, even though she didn't feel like answering such a stupid question, she answered as if it was what she truly wanted to do.

"Mm."

"Oh, you're hungry." Jiang Zongjin sighed. He pulled her along and said gently, "It's alright, I've asked Wangchuan to book a place for us. Let's go."

He turned to Liang Bowen and said gently to them, "I'm sorry to keep you guys waiting. Let's go."

As he spoke, he pulled Qiao Nian along and walked past the Qiao Family as though they were invisible.

Shen Qiongzhi was still shivering.

They had created a scene today. By tomorrow, everyone would know that the daughter of the professor from Qing University was formerly from their family.

How could Chen Chen enter the upper echelon of Rao City in the future?

She continued to look at Qiao Nian and Jiang Zongjin. She then stared at Qiao Nian angrily.

It was all because of her!

Qiao Nian looked at her in the eye and walked away indifferently.

She couldn't be bothered.
