

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1347

The Zhou family was still one of the new nobles in Beijing.

The Jiang family...

The family's status in Beijing had been greatly reduced ever since Old Master Jiang retired.

The Jiang family was only glorious on the surface, but in private, they were inferior to the Zhou family.

Moreover, Old Master had made it clear in front of Old Master Ye, Master Nie, and the others that Qiao Nian would inherit the Jiang family in the future.

The second branch's family had been completely separated by the old man.

"Going abroad is the best choice for you now. I'll find a good school for you. You can study abroad for a few more years before coming back. I'll think of a way for you to enter Tian Chen when you come back."

Jiang Yao had been thinking about this along the way. Jiang Xianrou had to choose between these two choices.

Compared to dropping out of school in disgrace, smart people would choose to leave the country.

Just as he had said, it might be a good thing for Jiang Xianrou to go abroad to further her studies for a few years before coming back. After all, stealing the USB drive had caused such a huge commotion, so it was useless for Xianrou to continue staying in the country.

"You don't have to worry about your living expenses. I'll give you a bank card in advance. Just treat it as a relaxing trip."

Jiang Yao was the eldest grandson of the family. The Jiang family did not lack money. Jiang Yao had saved up a lot of money himself. In addition, after he entered Tian Chen, he secretly used his small treasury to invest with Xu Jishen. Just the returns from his investments over the years had earned him a lot of money.

Therefore, Jiang Yao was confident when he said that Jiang Xianrou did not have to worry about money.

"Think about it." He knew that no matter how beautifully he put it, this matter was humiliating for his sister.

Jiang Xianrou was so arrogant. How could she stand such an outcome?

Jiang Yao was helpless. However, he had tried calling Qiao Nian and sending her messages, but both his phone and WeChat had been blocked by her.

He didn't even know where Qiao Nian lived. There was no way to find her.

If he couldn't see Qiao Nian, he wouldn't be able to convince Ye Wangchuan to let his sister off.

Jiang Yao was very upset. He patted Jiang Xianrou's shoulder, frowned slightly, and said in a low voice, "Dad and I know that you can't be blamed for this, but Young Master Ye said that it was your fault. We can't do anything about it. You know Young Master Ye. No one dares to anger him... Xianrou, it's best if you leave the country."

"Why should I go overseas?" Jiang Xianrou suddenly asked in a low voice.

Jiang Yao didn't know how to answer her.

Jiang Xianrou shook off his hand and said angrily, "I wasn't the one who hired someone to steal her USB flash drive. I'm also very sorry that her USB flash drive is broken, but what did I do wrong that I have to go overseas and bear the consequences?"

"Isn't it enough that my hopes to enter the Ninth Branch were dashed?" Jiang Xianrou glared at them, especially at Jiang Zongnan. Her eyes were slightly red. "Grandpa even wants to remove my name from the family tree. Why? She's a member of the Jiang family, but I'm not? Before she was found, I was the only girl in this generation. Grandpa has always doted on me the most. But I'm not even worthy of entering the family tree just because Qiao Nian has been found."

"Xianrou." Jiang Zongnan turned his head away, but he still interrupted her. He said in a low voice, "No matter what, he's your grandfather. As a junior, you're not allowed to say anything wrong about your grandfather behind his back."

Jiang Xianrou's face was pale. She did not say a word, but her eyes were sinister. She was obviously unconvinced.
