

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1349

She had been in the limelight for so long. Qiao Nian had only been in Beijing for half a year, but she had already been forced to be isolated by this circle.

Even Bo Jingxing did not stand up for her this time.

Jiang Xianrou's mind went blank.

Her face was so pale that she looked like she might fall ill at any moment.

Tang Wanru's heart ached when she saw her like this. She immediately pulled her into her arms and comforted her. She gritted her teeth and said in a low voice, "Alright, we won't go overseas. Don't worry, Mom won't let you go overseas, nor will I let that little b*tch suppress you!

!!

"Besides, it won't matter if your grandfather expels you from the family tree. The boss of the Jiang Corporation is your father. Your uncle won't be able to manage it even if the old man wants to hand the company over to him. He won't take it back. At most, the two families will fall out. If that happens, they'll be the ones to suffer. Your grandfather doesn't have any connections or resources left. He said that he'll let her inherit the Jiang family, but at most, he'll introduce her to a few old friends. So what if she knows those people? She won't be able to reach those connections even if she stands on her tiptoes. She won't be able to use them even if she gets them."

Tang Wanru said coldly, "Let your father see the true faces of your grandfather and the eldest branch this time. When they're down and out, your father won't have to care about them."

"I'm not going overseas. I'd rather drop out of school." Jiang Xianrou seemed to have gradually calmed down. At least, she was not as agitated and embarrassed as before.

"Alright, we won't go overseas." She persuaded her gently.

"Don't worry. Isn't it just being removed from the family tree? Mom will find you a better background. I won't let you be looked down upon."

Tang Wanru's gaze gradually became firm as she said, "You're Mom's baby. Mom will definitely arrange a glorious life for you. That little b*tch won't be able to reach the soles of your shoes even if she jumps. She's only worthy of being stepped on by you."

Jiang Yao frowned when heard her call Qiao Nian a little b*tch. However, he silently swallowed his words when he saw Jiang Xianrou's pathetic and fragile appearance.

He went upstairs in silence and tried calling Qiao Nian again. This time, the same thing happened.

The robotic female voice on the other end told him directly that the user he was calling was busy.

The other party's phone didn't even ring. Customer service even told him that the user was busy. Usually, this meant the other party had blocked him.

Jiang Yao's face was cold. He still couldn't get through even after trying a few more times.

He was holding back his anger, but there was nothing he could do in this situation. He could only stare helplessly at his phone.

...

Qiao Nian had no idea what was going on outside, mainly because both Jiang Xianrou and Jiang Yao had been blacklisted.

Those who could call her, such as Jiang Zongjin, Jiang Li, and Old Master Jiang, tacitly didn't mention what Jiang Xianrou had done to Qiao Nian.

For the first time, the big-mouthed Qin Si didn't tell Qiao Nian about Jiang Xianrou courting death.

However, she accidentally saw Jiang Xianrou being kicked out of the group chat by someone when she was playing with her phone.

But she was pretty busy working on the code.

She only took a look and did not take Jiang Xianrou's matter to heart. She got up, got a cup of water, and continued typing.

A week passed in the blink of an eye.

Tuesday was the deadline for her to submit the USB drive.

Liang Conglin came to the school early on the morning of the 23rd. Du Mingwei and a group of computer science teachers were there, including Nie Mi.
