

## **MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1364**

Ye Wangchuan immediately picked up the phone and heard the male voice on the other end say nervously, "Young Master Ye, we've checked. There was a car accident on Chang'an Road 20 minutes ago caused by a large truck going in the opposite direction. A taxi passenger was injured. The name on the information registration is exactly the same as the name of the person you asked us to check. Her name is Qiao Nian."

Ye Wangchuan's fingers curled around the phone. His eyes were cold and his voice was low. "Say it again."

"Huh?"

The man on the other side did not respond for a moment.

"Young Master Ye, what do you want me to say again?"

Ye Wangchuan's eyes were extremely dark, and his thin lips were almost bloodless. He said in a low voice, "What's the name of the injured person?"

The other party was stunned for a full second. He couldn't figure out if he hadn't enunciated his words clearly or if Young Master Ye hadn't heard him clearly. He didn't dare to offend this man, so he repeated, "Young Master Ye, I found out that the name of the injured passenger is the same as the person you wanted us to investigate. Her name is also Qiao Nian."

The dust had settled!

Ye Wangchuan smiled.

Gu San, who was eavesdropping at the side, felt his hair stand on end for a moment.

There was something wrong with Master Wang's gaze!

What happened!

"Where is she? Which hospital?" Ye Wangchuan's voice was extremely low, as if he was wrapped in ice. However, he strode out of the Imperial Mansion quickly, not caring about the guests behind him.

"Hospital?" Gu San didn't hear what the person on the other end of the line was saying, so he panicked and quickly chased after him. "Master Wang, who's in the hospital?"

Gu San's voice was loud. Coupled with his anxious state, his voice was even louder, causing quite a commotion.

Ye Lan stopped chatting and looked in their direction. She frowned and was a little nervous.

Who was in the hospital?

Gu San asked anxiously again, "Master Wang, is Miss Qiao in the hospital?"

Ye Lan was dumbfounded.

Nian Nian was in the hospital?

What was this all about?

Ye Wangchuan ignored him and walked out quickly. He replied to the person on the other end of the phone, "The emergency department of City General Hospital? Yes, I understand. I'm hanging up."

He hung up, put the phone down, and ignored everyone. He hurried out with a cold face like the wind.

Gu San followed closely behind him and left the banquet hall in a hurry.

"What's going on with Young Master Ye?"

"Why did Young Master Ye suddenly leave?"

"What hospital... Miss Qiao... Who's Miss Qiao?"

A large group of people beside the Ye family also heard the commotion. They looked at each other, not knowing what was going on.

Ye Wangchuan had always been on good terms with Ye Lan. But he suddenly left just as the birthday banquet was about to begin.

The people from the Ye family suddenly recalled the rumors they had heard before.

They heard that Ye Wangchuan had a new girlfriend who was from Rao City.

Could it be that the "Miss Qiao" Gu San mentioned was that girl?

"I think Gu San called her 'Miss Qiao'."

Wen Ruxia frowned when Gu San said that Qiao Nian was in the hospital. Anxiety appeared on her well-maintained face. She turned to Ye Lan and asked, "Did I hear wrong?"

"You didn't hear wrong. I heard it, too." Ye Lan still hadn't figured out what was going on, but she was no longer in the mood to celebrate. She left Wen Ruxia and the others behind and hurriedly said, "I'll go find my old man. You guys have fun."
