

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 138

Qiao Nian smiled and carried him in her arms. She then turned to the guy that called her just now.

“What’s the matter?”

Ye Wangchuan looked at her in shock. He then noticed the calm Ye Qichen in her arms. He wasn’t insecure at all.

He relaxed and then looked at Qiao Nian lovingly, saying casually, “It’s nothing.”

Why did he call me, then? Qiao Nian thought there was something wrong with him as she carried the kid into the private room along with the rest of Class A.

Even though they could tell there were some issues with the kid’s leg, Sister Nian’s brother was their brother as well. How could they make fun of their brother?

They couldn’t do it!

They pretended they didn’t notice anything and started to play with the kid as they chatted.

Qiao Nian went out halfway to pick up a phone call.

She came back and asked, “One of my relatives is coming later. Do you mind if the person joins us for lunch?”

Shen Qingqing felt that she would no longer be shocked after knowing that the professor from Qing University was her father and that her friend was the principal’s VIP. She nonchalantly said, “I don’t mind.”

“Me too.” Jiang Tingting also agreed.

Relieved, Qiao Nian continued, “He’s in the area and will be here soon.”

They thought that they had seen it all, so they didn’t really care.

After a while, a young man wearing a baseball cap and sunglasses came into their private room.

“I’m sorry for being late.”

He had a nice voice.

Some of the girls were attracted to his voice.

Shen Qingqing felt that he looked familiar. However, he was wearing a cap and sunglasses. He was also wearing a mask.

They couldn’t recognize him.

“Sister Nian, who’s this...?”

Qiao Nian was leaning on the chair playing with her phone and couldn’t reply to them.

Jiang Li then took off his mask, sunglasses, and cap. Then, after styling his hair and revealing his face, he winked at everyone.

“Hello, I’m Nian Nian’s brother.

“You can call me Brother Jiang Li.”

Damn!

The guys couldn’t react fast enough. But the girls started to hug themselves and were closed to screaming.

“Jiang... Jiang Li!”

Shen Qingqing was a big fan. She was so excited that she almost broke Liang Bowen’s arm.

My god, my son is in front of me. Your mom is a classmate of your sister!

What am I supposed to do!

I love you! I love you so much!

Jiang Li turned to wink at her. He found that she looked really cute when she was excited. He then tried to tease her. “I’m not Jiang... Jiang Li, little girl. I’m just Jiang Li.”

Ye Wangchuan went over to kick him. He then looked at him angrily and said, “Why are you teasing her?”

Jiang Li realized they were Qiao Nian's classmates and apologized shyly. "I'm sorry. It's an old habit of mine."

He then greeted Qiao Nian with his handsome face. "Morning, Nian Nian."

He handed her a cup of milk tea.

"There was a famous milk tea shop near where I was working. I've heard that students like to drink such things, so I bought you one."

Qiao Nian saw it. It was the same thing Ye Qichen bought.

She frowned and asked, "Are they having a promotion?"

Why was everyone buying milk tea?
