

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1381

"Is the Zhu family behind Nian Nian's car accident?" Jiang Li asked directly, and his tone was not good.

Jiang Li couldn't be blamed for his tone.

The Zhu family was behind Qiao Nian's car accident. His father had even helped the Zhu family pass a message to Nian Nian. What was his father thinking?

"Zhu Yuanhao got his girlfriend to steal Nian Nian's USB drive. Nian Nian didn't look for them for an explanation, and they even got someone to hurt Nian Nian?!"

Jiang Li couldn't breathe. His face burned. He couldn't face his grandfather and uncle, let alone Qiao Nian.

He was furious. "Heh. Instead of apologizing, they even asked you to help them deliver the message. They're really impressive~ If they're so impressive, why don't they go to heaven?"

"It's not what you think." Jiang Zongnan raised his hand and pinched the bridge of his nose, as if he found it difficult to speak. He explained to Qiao Nian, "Zhu Yuanhao's father originally planned to come to the hospital to apologize to you, but he was taken away before he could come. Before he was taken away, he called me and begged me to apologize to you.

"His wife hasn't seen much of the world and isn't sensible enough to cause such a huge commotion. Nian Nian, see if you can..."

Jiang Zongnan could say this, but Jiang Li was too embarrassed to listen. He immediately interrupted him and asked in disbelief, "Dad, are you crazy?!"

"Could it be that you want Nian Nian to forget about it?"

"Do you know that the big truck went against the flow and hit Nian Nian directly? If she hadn't reacted quickly and snatched the driver's steering wheel... Do you know what would have happened?"

Jiang Li was about to explode in anger. "How can you speak up for the Zhu family in such a situation? What are you thinking?"

How could Jiang Zongnan not know how excessive his request was?

He had braced himself to say this to Qiao Nian purely because he felt guilty.

Zhu Pengda had mentioned to him on the phone that Jiang Xianrou was involved in this incident.

It was good for Zhu Yuanhao to enter the detention center.

Forget about the Zhu family being investigated this time!

To put it bluntly, it was all to stand up for Jiang Xianrou.

Now that the Zhu family was in trouble, it would be too cold and heartless of him if he didn't say anything. However, it wouldn't be nice, either.

Jiang Zongnan raised his eyes again and looked at the girl sitting on the stool in a dilemma. He said gently, "Nian Nian, I know I shouldn't be doing this. I'm only reluctantly doing this because you're only slightly injured..."

Jiang Li turned green.

Listen to what his father was saying!

Nian Nian was lucky. He was asking Qiao Nian to let the Zhu family off just because she was slightly injured?

Did he mean that if Nian Nian was unlucky enough to be killed this time, he would condemn the Zhu family for being inhumane?

Qiao Nian's expression remained indifferent. She didn't say anything immediately.

Seeing that she wasn't as agitated as Jiang Li and seemed to be loosening up, Jiang Zongnan continued, "Nian Nian, can you let the Zhu family off for my sake? Do whatever you have to do with Madam Zhu..."

He had repeatedly said that Qiao Nian wanted to save him some face, but she didn't want to embarrass him in front of Old Master Jiang, Jiang Zongjin, and even Jiang Li.

However, he refused to give up until he achieved his goal. Qiao Nian didn't give him any more face.

Qiao Nian's voice was calm, without any room for negotiation. "No."

Extremely concise.

Her tone was quite cold.

Jiang Zongnan was a little stunned by her rejection and did not react for a moment. "Nian Nian, I..."
