

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1424

Qin Si stood beside Zhang Yang with his arms crossed and said coldly, "Aren't thieves all like this?"

In a few words, they pinned the blame on Qiao Chen.

Shen Qiongzhi's face turned green. She flung her hand away and stood in front of Qiao Chen, glaring at Qiao Nian. She lowered her voice and asked angrily, "Qiao Nian, why did you call us out?!"

"If you just want your friend to humiliate Chen Chen, then we don't have time to play with you!"

"We're leaving."

Then, she pulled Qiao Chen away.

"Wait a minute."

The girl's dark eyes narrowed. Her gaze was quite dry as she called out lazily.

Gu San immediately blocked Shen Qiongzhi and Qiao Chen's way.

He was 1.8 meters tall and exuded a powerful aura. His square face looked tough compared to Ye Wangchuan and the others.

At this moment, he glanced down at Shen Qiongzhi and said indifferently, "Madam Qiao, I'm sorry, you can't leave yet."

Shen Qiongzhi really couldn't get out with Gu San blocking the way!

"..." She turned around abruptly and glared at Qiao Nian. Her eyes looked like they wanted to tear her apart.

She was like an angry lioness, standing in front of Qiao Chen to protect her. "Chen Chen only went to your lounge to look for you. So many people went to your lounge. Why are you only targeting her?"

"I lost my hard drive. Only she went in after I left, and she didn't come out for three minutes. No one else went in there until I went back."

Shen Qiongzhi was flustered. She was not confident, but she pretended to be calm and said sternly, "Just because you lost your hard drive doesn't mean that Chen Chen must have taken it. What if you lost it yourself?"

"Whether she took the hard disk or not, we'll know after we investigate it."

Qiao Nian picked up an alcohol spray bottle from the table and approached Qiao Chen. Then, she said with an indifferent gaze, "I applied potassium permanganate on the hard drive. Do you know that potassium permanganate changes color when it encounters alcohol?"

Qiao Chen's expression suddenly changed. She paled, and her pupils trembled violently. She suddenly hid behind Shen Qiongzhi.

“Didn’t you say that you were innocent?” Qiao Nian walked over and stood in front of her. She handed over the alcohol spray and looked at her. The corners of her lips curled up slightly. “Try it?”

Qin Si didn’t know that Qiao Nian had fiddled with the hard drive. He was stunned for a moment before he reacted. He immediately bared his teeth and grinned. “That’s right. Didn’t you say that you didn’t steal anything? This is a chance to prove it. Why are you hesitating? Try it!”

How could Qiao Chen dare to try?!

Her mind went blank. In her extreme fear and panic, even her lips were pale. The tips of her fingers were cold.

Qiao Nian handed her the alcohol spray.

Qiao Chen looked up at her with a pale face, as if trying to read her.

However, Qiao Nian’s expression was as indifferent and irritable as ever. She couldn’t tell anything, and she didn’t know if the other party was serious.

Suddenly.

Fu Ge frowned and his eyes darkened. He said in a low voice, “Chen Chen, since you haven’t stolen it, there’s no harm in trying. Try it.”

“I...” Qiao Chen didn’t expect him to say that. For a moment, she was flustered and afraid. Her eyes kept flickering, avoiding everyone’s gaze.

Suddenly, Qiao Chen saw a cup of hot tea on the table not far away from the corner of her eye. It should be the cup of a security guard.

A sudden thought occurred to her.
