

## **MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1427**

She turned her head again and glared at Qiao Nian angrily. "Qiao Nian, you're crazy. Even if you found your biological parents, you've called her Mother for 18 years. Is this how you treat your elders?"

Qiao Chen pushed a security guard away as she spoke.

"Who are you? Get lost."

However, she was usually spoiled by Shen Qiongzhi. When everyone gave in to her, she could still kick up a fuss. When no one gave in to her, she was actually nothing!

As expected.

The tall and strong security guard quickly snatched the bag from Shen Qiongzhi's hand, unzipped it, and poured out the contents.

A black hard drive fell out of the bag and clattered to the floor.

The security room was silent for a moment.

Shen Qiongzhi turned her neck stiffly and looked at Qiao Chen in shock. "Chen Chen, you... you really stole it?"

Qiao Chen's mind buzzed, and she let go of the security guard's hand. Her face was pale, and she didn't know where to put her hands.

"I..."

Everyone was looking at her.

Qiao Chen seemed to be wrapped in endless darkness. Her eyelashes trembled. She stood there and looked at Shen Qiongzhi in confusion before looking at Fu Ge.

Fu Ge and Shen Qiongzhi looked at her in shock.

He looked at her as if he had only met her today!

Qiao Chen's heart was burned by his gaze. Her heart seemed to be grabbed by an invisible hand, and it was beating very fast.

"I..."

Qiao Chen bit her lip, leaving a bite mark on her pink lips.

She clenched her fists tightly, then turned to look at Qiao Nian, who was supporting her chin with her uninjured hand, as if she had already seen through her.

Her jealousy was like a demon that had been released. It had finally driven her crazy!

Qiao Chen stared at Qiao Nian's enviable face and admitted her actions through gritted teeth. "That's right. So what if I took your hard drive?"

Qiao Nian raised her eyebrows, surprised that Qiao Chen would take the initiative to admit it.

However, Qiao Chen seemed to be holding it in. She spoke quickly and anxiously, "I didn't want to take your things. You didn't lock the door yourself. I knocked on the door and realized that no one was there. That's why I was tempted to take the hard drive.

"Qiao Nian, you won't lose anything even if I take your hard drive. You still got first place and are in the limelight... You've already achieved your goal. What else do you want?"

"F\*ck!"

Qin Si coughed. He spat out the cigarette in his mouth, stepped on it, and cursed.

"According to you, you're justified in stealing?"

Qiao Chen knew that his status in Beijing was extraordinary, so she normally did not dare to provoke him.

However, Qiao Chen couldn't remain calm under such circumstances. She said coldly, "I don't mean that. What I mean is that she has already prepared two hard drives. Even if I take one, doesn't she still have another? She won't lose anything if I take this hard drive..."

Shen Qiongzhi had already recovered from her initial shock. She hurriedly pulled her back and shielded her. She looked at the girl in the middle of the crowd with a troubled expression and said with difficulty, "Qiao Nian, Chen Chen is still young. She's just a child."

"Heh, still a child at 18?" Gu San sneered. "What a big child."

"You..." Shen Qiongzhi blushed from his sarcasm, but she did not dare to retort.
