

## **MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1428**

All her attention was on Qiao Nian, because she knew that Qiao Nian was the only one who could take this matter lightly.

She looked urgently at the girl. For the first time, she showed the gentle side of a mother and spoke softly.

“Qiao Nian, she was in the wrong. I apologize. Can you not haggle over it with her?”

Shen Qiongzhi turned to Fu Ge and said anxiously after she finished speaking, “Young Master Fu, say a few words on Chen Chen’s behalf.

“You know what Chen Chen is like. She was just confused for a moment. I’ll definitely educate her when I get back. You’re Chen Chen’s boyfriend. Speak up for her.”

Fu Ge’s was as stiff as a rock, and he couldn’t move. He hesitated for a moment, but in the end, he only said one sentence. “Auntie, if Qiao Nian hadn’t prepared a spare hard drive in advance, do you know what the consequences of Qiao Chen’s actions would have been?”

Qiao Nian would embarrass herself and lose the competition!

But the problem was that Qiao Nian wasn’t standing on the stage alone. She was representing the country!

“She’s gone too far this time. I can’t speak for her.” Fu Ge looked away, his voice low and firm.

Shen Qiongzhi looked desperate. She didn’t understand his ruthlessness.

In her eyes, Qiao Chen was just a child. She should be forgiven even if she did something wrong.

Ye Wangchuan stood up and walked over to the girl. He asked her softly, “What are you going to do with her?”

Who he meant went without saying.

Ye Wangchuan didn’t even bother to call Qiao Chen by her name. He just used ‘her’ instead.

Qiao Nian’s eyes were dry, mainly because Shen Qiongzhi was making her head hurt. However, she didn’t hesitate. She simply said, “There’s nothing to do. Call the police and let them handle it.”

“Call the police?”

Ye Wangchuan raised his eyebrows, and a hint of surprise appeared on his face. He hadn’t expected Qiao Nian to make such a decision.

“... aren’t you going too easy on her?”

What he meant was that he could make Qiao Chen suffer worse than going to jail.

However, Qiao Nian tugged at her cap and shook her head. Her eyes were cold and dry, and her voice was hoarse. "You don't know Qiao Chen. Calling the police is enough for her."

Ye Wangchuan didn't want to let the other party off so easily. At the very least, he wanted to cripple Qiao Chen's hand. However, he respected Qiao Nian's decision.

He immediately looked at Gu San and instructed him in a deep voice, "Call the police."

"Alright, Master Wang." Gu San was far away. In fact, he could vaguely hear the two of them talking, but he didn't hear what Qiao Nian said to Ye Wangchuan.

But he felt that this was the best way to deal with it.

Gu San immediately picked up his phone and made a call.

"Hello, Officer Cai..."

...

Of course, Qiao Chen heard Ye Wangchuan and Gu San calling the police.

She hadn't expected Qiao Nian to do this. She was stunned for a second before reacting, her fair face pale with fear.

Shen Qiongzhi was also frightened. She shouted, "Qiao Nian, what are you doing?! Why did you call the police..."

She wanted to rush over and argue with Qiao Nian.

However, Ye Wangchuan blocked her path.

His cold eyes narrowed slightly, and his voice was soothing and deep. "Madam Qiao, if you take another step forward, I guarantee that Qiao Chen's outcome will be even worse."

There was some silence.

Shen Qiongzhi did not dare to act rashly again.
