

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1429

Shen Qiongzhi's reddened with anger even if she didn't dare to do anything.

She also raised her finger and pointed at Qiao Nian, her voice trembling with excitement. "You, you, Qiao Nian, Chen Chen is your sister! How can you call the police on her... Do you know that she's still on probation? She'll be locked up if you call the police. You'll cause her to go to jail. How can you be so ruthless..."

Qiao Chen was the one in the wrong from the beginning to the end, but Shen Qiongzhi always acted as if Qiao Nian was the one in the wrong.

Qin Si and the others were furious.

Fu Ge couldn't stand it anymore. His lips moved, but he couldn't speak because of his status.

"Chen Chen grew up with you. You ate our Qiao family's food. We were the ones who brought you out of the orphanage. Qiao Nian, I order you to get your men to tell the police that it was a mistake. I, I won't let you off if Chen Chen goes to jail!"

Shen Qiongzhi was anxious. Otherwise, she wouldn't have said such brainless words.

However, she was always like this when it came to Qiao Chen.

Qiao Nian's black hair flowed over her brow bone. For a moment, her eyes flickered, and a frustrated aura seemed to envelop her.

Hearing Shen Qiongzhi's exasperated accusation, she calmly pulled the zipper of her sweater to her neck, revealing her cold chin.

"You're giving me an order?"

Shen Qiongzhi suddenly felt a little suffocated. Her hot blood cooled, and she stuttered. "I..."

Qiao Nian looked at her with dark eyes. "What are you going to use to order me around?"

Shen Qiongzhi's old face almost turned red.

Humiliation and embarrassment.

A smile appeared on Qiao Nian's pretty face, as if she felt that it was meaningless to argue with her anymore. Her eyes revealed her loathing as she looked at Shen Qiongzhi. "I didn't put Qiao Chen in jail. She put herself in jail."

She had given the Qiao family and Qiao Chen countless chances.

They were the ones who dug their own graves.

Qiao Chen couldn't blame anyone for getting to where she was today.

She could only blame herself!

“I did prepare two hard drives, but I didn’t ask her to steal one. She stole it herself, admitted it herself, and the police are looking for her now. Is it my problem?”

Shen Qiongzhi felt as if someone was strangling herself, and she couldn’t say a word.

Ye Wangchuan grabbed the girl’s wrist at this moment and felt that it was slightly cold. He gently calmed the girl down and said in a low voice, “Alright, leave this to me. Go out with Qin Si and the others and wait for me.”

The temperature of his palm was high, pulling Qiao Nian out of her frustration.

She pressed a hand to her brow, then realized she was having trouble controlling her emotions. Thus, she didn’t refuse. She jumped off the makeup table and said, “I’ll wait for you outside.”

“Okay.”

Ye Wangchuan was worried about her and reminded Qin Si before watching them leave.

After Qin Si and Qiao Nian left...

He returned to his chair and found a box of cigarettes in his pocket. He poured out a cigarette, lowered his head, bit it, and lit it. Then, he looked up at Shen Qiongzhi and Qiao Chen and said indifferently, “Tell me, how many years do you want to be sentenced to?”

“A three-year reprieve. If you count off the crimes, you could go in for five or six years.”

Qiao Chen felt as if she had been struck by lightning. Her eyes widened in disbelief and her vision darkened. She swayed and almost fell to the ground.

“Chen Chen.” Shen Qiongzhi quickly supported her.

Qiao Chen’s face was pale, and her mind was buzzing.
