

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1451

Everyone's eyes were still on Qiao Nian and Jiang Yao.

"She's having lunch with me. I asked her to come to the Imperial Mansion."

It wasn't until a cold and sinister voice interrupted that the Jiang family and the onlookers looked to the side.

A young man in his early 20s was sitting in a wheelchair pushed out by an iron tower-like bodyguard in black.

The bodyguard was dressed in a suit and leather shoes. He wore sunglasses and looked expressionless. He had no interest in the people around him. His ogling attitude was an oppressive aura that came from his bones.

Lu Zhi was sitting in a silver wheelchair. It was rare for him to wear a shirt. His light blue shirt was ironed without a single wrinkle. The top button of his collar was unbuttoned, and his collar was slightly open. The color of his shirt accentuated his skin.

His skin hadn't seen the sun for many years, and its whiteness was dazzling in the light.

His own hands lay primly on the blanket, his head on one side, his eyes half-closed, the long lashes covering the deep pupils above them.

He looked like a very shrewd person.

"Who said you wanted to see me just now?" Lu Zhi looked gentle and elegant. He smiled with his rose-colored thin lips and glanced sideways at the stunned Jiang Yao. He narrowed his eyes again and said in a charming voice, "You were the one who wanted to see me? I'm here. Tell me, what's the matter?"

Jiang Yao's shirt was already drenched in a cold sweat and stuck to his back. He looked at Lu Zhi in shock as if his throat was blocked.

He couldn't find his voice for a long time. "CEO, CEO Lu."

Jiang Xianrou frowned. She didn't know Lu Zhi. She turned her head and asked Jiang Yao disapprovingly, "Brother, who is he? Do you know him?"

Jiang Xianrou wasn't the only one who was dumbfounded.

The relatives of the Jiang family looked at each other. They didn't understand who this man was and why Jiang Yao had such a huge reaction.

Yuan Qing muttered softly, "CEO Lu? This person is a boss? He runs a company?"

Her son shook his head, indicating he wasn't sure.

Yuan Qing looked at his useless appearance and turned away aggrievedly before continuing to look at Jiang Yao.

Jiang Yao had never expected Lu Zhi to be the one asking Qiao Nian out for lunch.

At this moment, he already regretted his previous impulse.

However, it was impossible for him to back down now. He answered Jiang Xianrou with difficulty, "I know CEO Lu, but CEO Lu doesn't know me."

"?" Jiang Xianrou did not quite understand what he meant.

After all, she had a new understanding of Jiang Yao after she understood how powerful Tian Chen was.

Jiang Yao could enter Tian Chen.

How many people in Beijing could make her brother say such discouraging words?

Jiang Yao took a deep breath and explained to her in a low voice, "CEO Lu is Tian Chen's boss."

Jiang Xianrou gasped. "You said he's Tian Chen's..."

She couldn't bring herself to say the last word.

Jiang Yao nodded with difficulty.

Jiang Xianrou suddenly looked at the girl standing in the crowd. A huge mountain was pressing down on her, almost suffocating her.

"How could Qiao Nian know such a person?" Jiang Xianrou tried her best to control her emotions, but her tone was still filled with jealousy and shock.

She couldn't understand why Qiao Nian was always so lucky.

She didn't even dare to think about the boss behind Tian Chen, but Qiao Nian actually knew him!

Jiang Yao did not answer her.

The bodyguard in black had already pushed Lu Zhi to Qiao Nian's side. Jiang Yao saw that the two of them were talking familiarly. It was obvious that they knew each other for a long time.
