

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1463

Jiang Yao had grown up hearing his mother say, "Jiang Li is disappointing. Don't learn from him."

This was the first time he had heard anyone say that he was inferior to Jiang Li.

Jiang Yao couldn't describe his complicated feelings. He suppressed his eyebrows and said, "Young Master Xu, help me greet Old Master Su and ask him to take care of himself."

"Yes, I'll talk to my grandfather." Xu Jishen still had something to say, but he could tell from the other end that Jiang Yao was unwilling to listen.

His own house was in a mess, and he didn't want to meddle in other people's affairs. In addition, they didn't like to hear it, and he couldn't be bothered to be a good person for nothing, so he stopped talking. "The nurse called me. I'm hanging up."

"Okay." Jiang Yao was very polite. "Bye."

"Bye."

Xu Jishen hung up. He did seem very busy.

Jiang Yao heard the busy tone on the other end of the phone. He slowly put the phone down and lowered his eyes. He remembered that Xu Jishen had asked him to look for Qiao Nian. He felt a headache coming on.

Jiang Yao was turning back to the living room with his phone when he looked up and saw Jiang Xianrou coming downstairs.

"Brother, good morning." Jiang Xianrou was wearing a long yellow dress. Her hair was tied into an exquisite ponytail, and her oval face was fair and lustrous.

She smiled and looked gentle and sensible as she greeted him.

Jiang Yao's anxious heart seemed to have been injected with a trace of coolness. He was not as uncomfortable now.

He walked into the living room, put his phone on the table, and nodded at the girl coming down the stairs. "Yeah. You're up?"

"I just woke up. I heard someone talking downstairs, so I came down to take a look." Jiang Xianrou staggered downstairs and walked to the fridge, opened it, and took out a bottle of milk.

She opened the bottle and took a sip gracefully. Then, she looked at Jiang Yao and saw that he was frowning as if something was bothering him.

She walked over again and asked with concern, "Brother, who were you speaking with?"

Jiang Yao didn't have time to answer her.

Jiang Xianrou lowered her eyelashes again and asked very demurely, "Young Master Xu?"

They had a good relationship since they were young. Jiang Yao basically did not hide anything from her.

Since Jiang Xianrou had asked him, he sat down on the sofa and nodded. "Yes, I couldn't get through to him yesterday, so I called him again this morning.

"Did I speak too loudly and wake you?" His handsome, cultured face was apologetic.

"No, it was the alarm that woke me up this morning." Jiang Xianrou shook her head and looked at him with her beautiful eyes. She hesitated and asked, "Brother, did the matter with Tian Chen not go smoothly?"

She saw Jiang Yao holding his forehead with his hand a few times. He seemed to have a headache and looked pale.

She guessed that Xu Jishen was unwilling to help.

Jiang Yao's handsome face was shrouded in a faint sinister expression. He didn't say much to her. "Don't worry about this. I'll handle this matter."

Jiang Xianrou could tell from his tone that things were not as simple as she had imagined.

She opened her mouth to mention Qiao Nian, but Jiang Zongnan and Tang Wanru came out of their bedroom at this moment.

Jiang Zongnan had already changed into a suit. Tang Wanru was still wearing her pajamas and tying his tie. Seeing Jiang Xianrou in the living room, her eyes were filled with joy. "Xianrou, have you packed your things?"

Jiang Xianrou smiled implicitly. "I did a simple packing last night and only packed the daily necessities. I haven't had the time to pack my clothes yet."
