

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1467

The artiste-only lounge of Star Glory Entertainment.

A strikingly beautiful woman was sitting on a stool in front of a makeup mirror, arranging her hair with her hands.

The person beside her who was putting on makeup for her did not dare to breathe loudly as he quietly did the foundation work.

Bai Lin was a famous beauty in the entertainment industry.

Every time she was on the red carpet, it would be in the headlines.

However, the makeup artist knew that Bai Lin's beauty relied on makeup. Her skin was not good.

She smoked and drank all year round, and her routine was irregular.

Her skin was dark yellow, her skin color was uneven, and there were often pimples on her T-zone.

Therefore, the makeup artist paid the most attention to her foundation. It was much easier once the foundation was done well.

"Your mocha. I make a point of having the clerk remove the fat and not add sugar." The manager pushed into the room at that moment, carrying two cups of coffee.

She smiled and handed one of the cups of coffee to the young woman sitting in front of the dressing table with her legs crossed. She said gently, "Bai Lin, your trending topic has reached the top."

The woman took the paper cup from her and raised her eyes haughtily, looking quite arrogant. "Really?"

"It's normal for me to be first. After all, with my current popularity, I'll be on the trending searches in no time as long as you do a good job in marketing any topic."

Her manager was used to her tone and laughed a little. She put down the coffee bag and dug her phone out of her bag for her. "Take a look."

"I see that you're very popular this time. Everyone is interested in this topic. We'll talk to Weibo later and ask them to hang your topic for a while longer. We'll slowly reduce the popularity after the traffic peak from 12 PM to 2 PM..."

The manager said with a faint smile, "By then, there should be a reaction from Manager Wen!"

There were only so many resources in the circle. The investors had the final say.

In fact, the investors still had to look at the popularity.

How many times did an artist get to work with a famous director in her lifetime?

Moreover, George Lucas was a famous director among famous directors. As long as Bai Lin successfully co-operated this time, it would not be a dream for her to rise to fame.

Bai Lin could at least be in the entertainment industry for a year and a half without worrying about popularity.

“You’re one of the most popular female artistes in the industry now, and you’re famous for being good at skating. You even won an urban skating award in high school. Who knows what Manager Wen is thinking? She actually didn’t look for you for the MV this time...” Bai Lin’s manager felt a little uncomfortable when she mentioned this.

However, she had been in the circle for a long time and had more or less heard of Wen Ruxia’s background.

Since the other party did not give them face, they had no choice but to take this path.

They were certainly not going to let go of their chance with George Lucas!

They had to snatch it by any means!

“Sister Xin, are you mistaken? Where is my name on the trending searches on Weibo?”

At this moment, Bai Lin suddenly spoke in an unhappy tone.

Her manager, Zhao Xin, was stunned for a moment and immediately said, “That’s impossible. I saw you at the top of the trending searches just now. The questions after that were even more explosive.”

“See for yourself!”

Bai Lin pulled a long face unhappily and returned the phone to her.

“I don’t see my name on the trending searches.”

Zhao Xin frowned as she took the phone and immediately scrolled through the trending searches.
