

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1470

“Hehe.” Wen Ziyu smiled without saying anything. He didn’t want to explain it too clearly to him. After all, if he did, it would undoubtedly be rubbing salt into his wound.

He would never dare to snatch a girlfriend from the Ye family!

Wen Ziyu felt bitter.

Why was Qiao Nian’s boyfriend Master Wang?

He was fine as long as it wasn’t Master Wang!

Then, he could still fight for his goddess.

But Master Wang...

Wen Ziyu’s heart ached.

He didn’t dare.

He really did not dare to snatch her from Ye Wangchuan.

He was afraid that he would be beaten up by the entire family and his legs would be broken. In addition, his bank card would be confiscated and all his living expenses would be stuck.

He knew of his parents’ “brutality”, so he knew they would definitely do it.

He might even be chased out of the house. They would immediately end this “unfilial son” of theirs!

As soon as Wen Ziyu thought of this, he felt like there was a ball of cotton stuck in his chest. At the same time, he despised himself.

Zhou Yang was right. Actually, he could go all out to fight for her. What if the impossible happened?

For example, she was blind and didn’t want Master Wang. Instead, she was moved by him.

However, Wen Ziyu knew very well that it was impossible for him to do that. The success rate of such a thing was comparable to winning the lottery.

No, it was harder than winning the lottery!

But the price he had to pay was too high.

He didn’t have the courage.

When he realized that he did not have enough courage to fight for it, he would hate himself again.

He didn’t seem to like her that much, but he still really liked her.

These feelings were very complicated. At the very least, Wen Ziyu felt that he couldn't understand the complicated emotions in his heart.

"Anyway, things aren't as simple as you think. Besides, Qiao Nian already has a boyfriend." After Wen Ziyu finished speaking, he didn't want to speak anymore.

Zhou Yang nodded and scratched his head. At his age, he still didn't know how complicated it was to woo girls. He didn't know how to comfort Wen Ziyu, so he decided not to spout nonsense.

He glanced at Wen Ziyu's computer and accidentally saw something. "Who's Bai Lin? Why is she placed with God Qiao's name?"

Wen Ziyu was reading a press release.

The headlines got eye-catching.

[Comparing popular female celebrity Bai Lin to Zhui Guang, Zhui Guang was completely defeated by a female celebrity!]

"Her?"

Wen Ziyu placed one hand on the mouse and clicked on the report next to it after crossing out the page. He chose the "Fake Advertisement" option and ticked it with a red tick.

Then, he replied unhurriedly, "A fool!"

Zhou Yang was speechless.

Fu Ge happened to come in from outside and heard their conversation.

His handsome face turned green. He walked behind Wen Ziyu with his phone and said with difficulty, "Young Master Wen, I have something to tell you."

He wanted Zhou Yang to leave, but Wen Ziyu turned around and glanced at him. He said indifferently, "Go ahead."

Zhou Yang saw through Fu Ge and immediately said, "I'll go down and buy a bottle of water. You guys chat."

After he left.

Fu Ge's tense jaw relaxed a little. He looked at the sloppy Wen Ziyu and said slowly, "Young Master Wen, can you tell your aunt to stop making things difficult for Bai Lin?"

"?"

Wen Ziyu did not react immediately. "What's wrong with you! My aunt doesn't even know who she is. When have I ever made things difficult for her?"

With only the two of them around, Fu Ge stopped beating around the bush and said bluntly, "Bai Lin is my brother's woman. He called me and said that Bai Lin offended President Wen and asked me to apologize to President Wen on his behalf. He hopes that President Wen can be magnanimous and let her off this time..."
