

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1491

“Chief Robert, why don’t you introduce everyone?” Qi Yan had yet to realize that the person standing beside Zhong Yiliu was Qiao Nian. She spoke with a smile.

“Well...” A momentary hesitation crossed Robert’s face, then he looked at the girl, who was looking down at her phone, clearly undecided.

Qiao Nian lowered her head and sent messages to Ye Wangchuan.

She had just told him that she had gone to the Pharmacy Association and was about to go to the storeroom with Zhong Yijie to get the medicine... Ye Wangchuan seemed to be very busy and had yet to reply to her message.

!!

Qiao Nian wasn’t in a hurry. She slowly put her phone back into her pocket and looked up. She immediately saw the four people blocking her way.

She had never met Robert and Qi Yan, but she saw Tang Wanru and Jiang Xianrou.

Qiao Nian frowned slightly, and her head started aching. There was no emotion in her dark eyes. However, Zhong Yiliu could feel that she was getting impatient. He whispered to her, “I met a few people I know. Wait for me.”

Qiao Nian lowered her long eyelashes, as if she didn’t know Jiang Xianrou and Tang Wanru. She looked away from them, put one hand in her pocket, and replied in a low voice, “Yes.”

Qi Yan also saw the girl’s face.

Qiao Nian was too eye-catching.

Although she had never met Qiao Nian properly, she had heard a lot about her from Qi Lanyin and her brother, Qi Rongguang.

She had gotten someone to investigate Qiao Nian herself.

She didn’t find out much, but Qiao Nian usually had to go to school and participate in some competitions. There were many photos and videos online.

She had seen Qiao Nian’s photos and videos of the competition. She had a deep impression of her.

She recognized her as soon as Qiao Nian looked up. “It’s you?”

Qi Yan’s voice was too surprised, and her expression clearly cracked. She wasn’t as smooth as before, and she almost couldn’t control her expression, revealing disgust and hatred.

However, she quickly wiped the emotion from her face and put on a surprised expression. At least, it was impossible to tell that she was hostile.

Zhong Yiliu was stunned for a moment before asking curiously, "Do you know each other?"

Qi Yan didn't know what to say.

She didn't know Qiao Nian personally. At least, this was the first time they had met in real life.

But it would be a lie to say that she didn't know Qiao Nian. The Qi family had almost been destroyed because they had bumped into this girl in the illegal district...

The hatred could not be explained in one or two sentences.

Besides, she still didn't know how close Zhong Yiliu was to Qiao Nian!

"We..." She was still formulating the words, her mind quickly weighing the pros and cons, trying to think how she would answer the question.

Robert was also quite surprised. He didn't expect them to know Q. Qi Yan was fine, but Jiang Xianrou was just an ordinary new member of the Pharmacy Association. He asked Jiang Xianrou enviously, "You know the dean's friend?"

He thought that Jiang Xianrou was introduced to the Pharmacy Association by Qi Yan.

Qi Yan knew Q.

Therefore, Jiang Xianrou must also know Q.

"..." Jiang Xianrou's mind went blank. Her fingernails were about to be broken as she clenched her fists. Her face was pale, and even her lips couldn't be seen. She stared fixedly at the girl not far away. She seemed to be strangled, and she couldn't say a word.

Robert was still looking at her expectantly, unaware of how uncomfortable she felt at that moment.
