

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1496

"No, you have to pick her up at the airport."

She pondered for a moment and immediately decided. "I'll take care of your grandfather. Buy the earliest plane to Beijing and wait for her at the airport tomorrow."

Xu Jishen did not expect this. He lowered his eyes and thought about it. He felt that what Mother Su said made sense and nodded. "Alright."

After Mother Su arranged everything, a nurse came over to take Su Huaiyuan's blood pressure.

!!

She bade Jiang Yao farewell and followed the nurse into the ward.

Jiang Yao waited for her to enter. Then, he looked at this friend with a complicated expression and asked in a low voice, "Young Master Xu, is the person you were talking about Qiao Nian?"

"Who else?"

Xu Jishen was quite surprised. He glanced at him and said with a smile, "It's all thanks to Miss Qiao for helping us get medicine from the Pharmacy Association this time. Our family owes her a big favor!"

Jiang Yao's mind was in a mess.

He really hadn't expected Qiao Nian to be related to the Pharmacy Association. She could even obtain medicine from them.

One had to know that the Pharmacy Association's medicine was very precious. Not everyone could get it just like that.

Previously, when he mentioned Jiang Xianrou, he didn't dare to guarantee that she would be able to help him. However, Qiao Nian easily obtained Old Master Su's medicine from the Pharmacy Association.

Jiang Yao's emotions were indescribably complicated.

He was finding it harder and harder to understand his cheap cousin.

He felt that Qiao Nian had an unfathomable network of connections. Those people were not people he could come into contact with.

"By the way, Jiang Yao, remember to tell me if she needs anything in the future." Xu Jishen looked at him and said solemnly, "As long as it's something I can do, no matter what it is, as long as Miss Qiao asks, I will definitely do my best to help!"

Jiang Yao saw his serious expression and opened his mouth. After a long while, he squeezed out an "Okay."

The Waldorf Hotel, Country M.

Qiao Nian had just returned to the hotel with the medicine when a car stopped by the road, blocking her way.

There was a golden logo in front of the black car. The golden logo shone brightly under the sunlight arrogantly.

Qiao Nian glanced at the conspicuous logo and pulled down the brim of her cap. Her half-squinted eyes were cold and dry.

She recognized the logo. It was the logo of the royal family of Country M.

Soon the occupants of the car got out.

It was a man in his prime. He was tall and burly, and he was wearing a black suit that was engraved on a plate. He walked up to her expressionlessly and said, "Miss Qiao, our Madam wants to see you."

Qiao Nian had earphones on. The wires were still hanging outside her sweater.

She took off her headphones very calmly. Her slender fingers were fair and slender. She looked at him with her beautiful black eyes and almost without thinking, she said, "No!"

The same blank expression, the same arrogance!

However, her aura was far superior to the Qi family's chauffeur.

With that, Qiao Nian ignored the other party's stunned reaction and made to bypass the person in front of her.

After a moment of surprise, the Qi family driver reacted and did not dare to let her go. He reached out to block her again and said seriously, "Miss Qiao, please come with me!"

Qiao Nian didn't want to argue with him.

Seeing that he was blocking her way again and that there was a strong threat in his tone, she looked up, revealing an exquisite and eye-catching face.

Her voice was low and hoarse but also inadvertently cold. "What if I don't go?"
