

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1500

"I only invited her over for tea and they dared to stop my brother on the road!"

The flip phone was immediately smashed to pieces.

A portion of the phone fragments splattered on the chauffeur, scaring him. However, the chauffeur lowered his head and did not even dare to breathe loudly.

"Ah!"

!!

Qi Yan was about to go crazy from anger.

Her fair face was flushed red, and her eyes were cold. "Qiao Nian is really amazing."

She hadn't eaten such a huge loss since she had successfully married into the royal family.

Qiao Nian was practically slapping her face.

How arrogant!

None of the servants and drivers in the living room dared to speak. They all lowered their heads in fear and trembled.

Qi Yan paced around in frustration.

She was so angry that her face turned pale, but she did not dare to act rashly because she still didn't know who had made a move on Qi Rongguang.

The Red Alliance or... the Bright Gate?'

Qi Yan considered for three minutes. She looked up and instructed with a faint sinister voice, "Find out what happened to my brother."

"Yes, Madam."

The chauffeur rushed out to get things done.

...

On the other side.

Jiang Xianrou and Tang Wanru had just returned to the hotel.

They looked at each other in silence for the rest of the journey.

After they arrived at the hotel, Jiang Xianrou locked herself in her room, took out her phone from her bag, pulled out a chair, and sat down.

Ever since she had met Qiao Nian at the Pharmacy Association, her face had been pale and green. She had bitten her lip so hard that it had left a row of teeth marks.

[Xianrou, have you reached the Pharmacy Association? Have you seen Dean Zhong?]

After Jiang Xianrou turned on her phone, she only saw that Jiang Zongnan had sent her a message. The others ignored her completely.

Qin Si, Ye Wangchuan, and the others all knew that she had come to the Pharmacy Association this time, but no one paid attention to her.

Even Zhang Yang did not congratulate her.

Jiang Xianrou felt even more humiliated.

She opened WeChat and scrolled through the contacts. She recalled how pathetic she had been at the Pharmacy Association, then she thought of how high-spirited she had been before she left.

Her heart seemed to be crushed in the dust, and her chest was so stifled that she could barely breathe.

Qiao Nian...

Why had Qiao Nian appeared in the Pharmacy Association and become an important friend of the dean?

What was she doing there?

Jiang Xianrou's mind was in a mess.

She stared at her phone again. On impulse, she found Qiao Nian's number and called her.

"I'm sorry, but the number you have dialed cannot be reached."

Jiang Xianrou lowered her hand with a dark expression.

She had almost forgotten.

Qiao Nian had already blacklisted her.

She couldn't get through at all.

Jiang Xianrou flipped over the things on the table in frustration and looked at the person in the mirror. She bit her lip and her eyes flickered. She picked up her phone again and sent a message to Robert.

She carefully edited the message.

A few minutes later.

Her phone vibrated.

Jiang Xianrou quickly picked up her phone, unlocked it, and opened the latest message.

She sent a message asking him about Qiao Nian's relationship with the Pharmacy Association.

The reply was short and to the point.

Jiang Xianrou took a deep breath and looked at the message.

The other party's tone was extremely rude.

Just one sentence.

[Why do you care? This is not something you ordinary members can know.]

The words "ordinary member" deeply pierced Jiang Xianrou's heart.
