

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1514

Qiao Nian sat calmly on a stool meant for resting and played with her phone. She accidentally saw Bo Zheng's message on the black market.

He was requesting the Red Alliance's help to look for someone.

She took the job without looking at the sensational scene on the black market network because of Sun's reappearance and then closed the local area network page.

Qiao Nian raised her eyelids, her dark eyes looking in the door's direction. She restrained her arrogance and said, "Soon."

!!

Zhang Yang looked at her strangely and was about to ask "Miss Qiao, how did you know?" when Deputy Captain Luo and Bo Zheng came out and walked quickly in their direction...

Zhang Yang immediately stood up from the stool, not knowing where to put his hands and feet. "Captain Bo."

He had a better relationship with Qin Si.

He usually played with Qin Si, but he was not too familiar with Bo Jingxing, let alone his uncle, Bo Zheng.

He hadn't even seen him that many times.

Zhang Yang didn't dare to address him directly as Qin Si did. After greeting him, he placed his fingers on the seam of his pants and stood straight like a high school student in military training.

Qiao Nian saw them coming as well and calmly raised her cap. Unlike Zhang Yang, who was so frightened that he immediately stood up, she stood up slowly and greeted Luo Ming. "Deputy Captain Luo."

Luo Ming was more excited to see her than anyone else. "Miss Qiao, it's really you... That's great!"

Bo Zheng also saw the girl wearing a familiar sweater and a baseball cap standing not far away. His excitement was indescribable. He walked over and said, "I didn't expect you to come, too. If Qin Si hadn't told me that you were outside, Young Master Ye..."

"I know."

Qiao Nian had called Ye Lan previously, and Ye Lan had told her everything.

She knew Ye Wangchuan well and knew that nothing could happen to him.

Moreover, Gu San was still by his side. He would give his life to protect Ye Wangchuan.

Hence, Qiao Nian wasn't particularly anxious. At the very least, she was much calmer than Bo Zheng and the others.

She asked politely, "Do you need my help?"

Bo Zheng was overjoyed. He suppressed his excitement and immediately said, "Yes, definitely."

"I'll take you in first."

He immediately brought her back while explaining the situation to her.

"... Our technicians have checked the signal inside. There seems to be a problem with the signal base station. There's no signal at all. We can't pinpoint their exact location now.

"Miss Qiao, is there any way you can find out their precise location?"

Bo Zheng discussed the situation with Qiao Nian along the way. "As long as we have a location, the rest will be much easier."

Qiao Nian didn't answer him immediately. She just followed him.

Her aura was restrained, but it was still impossible to ignore the willfulness in her bones.

"I want to see it first."

It was quite a pleasant voice.

Like a cold drink in summer to ease the restlessness in Bo Zheng and the others' hearts, he smiled and was no longer in a hurry. He just led Qiao Nian inside.

"Yes. See it first, then we'll talk."

The people who had stopped Qiao Nian and the others from entering were now silent as cicadas in winter. They watched helplessly as their deputy captain and captain surrounded the girl and welcomed her in.

He stole glances at Qiao Nian with a puzzled expression.

Why are Captain Bo and Deputy Captain Luo treating that girl differently?
