

## **MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1530**

The manager said, "They found out that the staff responsible for the accident had run away right after you were taken to the hospital.

"I pulled some strings to check on him. He bought a plane ticket three days ago. His wife and kid flew out of the country yesterday and he left today in a hurry. No one realized he was gone until it happened." The manager lowered his voice. "In addition, the police found signs that the cable that supported you was cut by a knife."

This meant that Jiang Li's fall was not just an accident.

Jiang Li frowned. He didn't know who hated him so much.

!!

They were still talking when the ward door opened.

Jiang Zongnan and his relatives came in from outside.

The manager immediately shut up and exchanged glances with him, then said, "Young Master Jiang, I'll leave first. Take care of yourself."

Jiang Li nodded.

He politely greeted Jiang Zongnan, ignored Yuan Qing and the other Jiang family relatives, and hurried to the company to settle the trouble.

Jiang Li refused to publicize his injury, so there were still many public relations arrangements. They needed to be prepared in advance.

To avoid being caught off guard by the circle's enemies.

...

The corners of Yuan Qing's mouth twitched imperceptibly the moment he went out. She whispered in disdain, "I don't understand the world these days. A grown man still has his hair permed and wears ear studs. He's a hooligan. One look and I can tell that he's not a decent person."

"Mom, stop talking." Her son was very obedient. He pulled her and lowered his voice to persuade her.

Yuan Qing kept a straight face and stopped talking.

However, she was perfunctory when facing Jiang Li, unlike how she was with Jiang Yao and Jiang Xianrou.

"Jiang Li, are you okay? You have to listen to the doctor and rest more. Take this opportunity to stop getting involved in the entertainment industry. What's so good about those dirty places? You're not young anymore. It's time for you to grow up. Look, your sister has gone to the Pharmacy Association.

You should find something serious to do. What's the point of a man being in the entertainment industry every day? It's not like your family lacks this bit of money."

Her words were extremely unpleasant. It was annoying to hear.

Sure enough, Jiang Li frowned, but because of her seniority, he couldn't say anything. However, he did not give her much face and ignored her.

Yuan Qing pulled a long face. "I know you don't like to hear what Aunt says, but I'm doing this for your own good. Look at how hardworking Xianrou is..."

She brought up Jiang Xianrou again.

It was mainly because after Jiang Xianrou's filiation banquet last time, she couldn't sleep well for a few days when she went back. She had always regretted betting on the wrong side.

In the end, she didn't expect Jiang Xianrou to really have the ability to get Qi Yan to bring her to Continent O and become a member of the Pharmacy Association.

She was inexperienced and did not know what the Pharmacy Association was about. She only knew from Jiang Zongnan and Tang Wanru's reaction that the Pharmacist Association was very powerful. Anyway, it wasn't a place that ordinary people could enter.

Jiang Xianrou successfully became a member of the Pharmacy Association, so she felt much more at ease recently.

Jiang Li ignored her. His eyes were cold and calm. "If she's capable, go and tell her. Don't tell me. No matter how much you tell me, she won't hear your praise. There's no need to waste your breath on me!"

Seeing that Jiang Li didn't like her advice, she looked around the ward again. Then, she turned and asked Jiang Zongnan, "Qiao Nian didn't come?"
