

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1532

In the corridor outside the ward.

Jiang Yao found a quiet corner and stopped, then said, "Dad, have you contacted the doctor?"

"I've got a few experts..."

Although the Jiang family couldn't compare to the few families at the top of the pyramid in Beijing, their status was considerably high.

!!

To Jiang Zongnan, it was not difficult to find a doctor for his son.

"It's just that Mr. Huang hasn't answered me yet." Jiang Zongnan's tone changed. He sighed and said with a bitter expression, "You also know that Mr. Huang has long retired. It's rare for him to come out. Many people both locally and abroad are queuing up to look for him, but he's unmoved. However, it'll definitely be best if Mr. Huang can come out of retirement. At least we don't have to worry about him having to live with side effects from his current injury."

Mr. Huang was famous even internationally. He wasn't the kind of person who could be invited casually.

Jiang Zongnan had this plan, but that was about it.

He contacted Qing University and wanted to use his connections there to get Mr. Huang to come out.

However, Principal Liang had yet to reply to him. There was a high chance that he had not mentioned it to Mr. Huang.

Jiang Yao had a headache again.

Actually, Qiao Nian was Mr. Huang's disciple. If she asked, Mr. Huang might give her face. As for the others... it would be difficult for their family to invite a master of Mr. Huang's level!

Jiang Yao knew this very well.

He raised his hand with a solemn expression and said, "I'll personally go find Mr. Huang and see if he's willing to give me face. If I can, that's good. If not..."

"If not, we'll think of another way." Jiang Zongnan relaxed his brows and patted his shoulder gently. His expression softened. "Jiang Yao, it's been hard on you."

Jiang Yao nodded. He was actually very uncertain. He didn't think that Mr. Huang would do him a favor just because he appeared.

But now, other than begging Qiao Nian for help, this was the only way!

...

Ye Residence.

Ye Wangchuan was safe and sound. Ye Lan finally dared to tell Old Master Ye about it.

In the end, she poured a glass of water for Ye Maoshan and placed it on the table. Her eyebrows relaxed.

She sighed and said, "I heard from Jingxing that it's all thanks to Nian Nian that they were able to locate and transfer the rescue resources this time... If not for her, I don't know how long they would have had to suffer."

As Ye Wangchuan was fine, Old Master Ye listened to her calmly. He was also looking down at his cell phone as he listened.

Ye Qichen had returned from his rehabilitation overseas for some time. He was also sitting on the couch and playing games.

Hearing this, he raised his head. His fair and cute little face was exceptionally charming. The corners of his mouth were tense as he continued firmly, "My sister is good, to begin with."

Ye Lan saw his protective stance and was stunned by his cuteness. She walked over and pinched his tender little face. She said with a smile, "Yes, yes, yes. Your sister is the best. She's the best person in the world. Alright?"

Ye Qichen was only obedient in front of Qiao Nian. In front of the others, he always had his way. He turned his face away and placed the iPad aside. He looked at Ye Lan with a serious expression and said, "That's right."

Ye Lan had no words.

Ye Qichen didn't think that there was anything wrong with his words. He didn't see the sadness on his grandmother's face at all. He looked at her with his big black and white eyes, afraid that Ye Lan would not understand what he meant. He said again, "My sister is the best person in the world!"

Ye Lan had no words.

Why was she feeling a little sour inside?
