

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1534

Ye Wangchuan saw that she had bought water and nodded. He was about to ask her if she wanted to go back directly or eat something when Qiao Nian's phone rang.

The girl took out her phone from her pocket and lowered her eyes to look at it. She didn't know who was calling her, but her eyebrows and eyes were restrained. Her gaze wasn't as wilful as before. Her expression was very serious as she answered the call. "Hello, Dad."

Qin Si was about to ask who it was when Qiao Nian called him "Dad."

He turned his head away silently and walked over to Ye Wangchuan. "Master Wang, are we having lunch together?"

!!

"We'll talk about it later."

The man's voice was lazy, a little desultory.

It was obvious that he was waiting for Qiao Nian to decide.

Qin Si clicked his tongue and turned to Zhang Yang resentfully. "Is your friend in the shop? Let's have hotpot for lunch. Sister Qiao likes it."

"I'll call and ask him." Zhang Yang reached for his phone and prepared to call his friend.

If Qiao Nian wanted to eat hotpot, he would definitely call her back!

Unexpectedly, before Zhang Yang could make the call, Qiao Nian acknowledged her father in a low voice and said to them after hanging up, "I have something on at noon, so I won't be eating with you."

"Uh, Sister Qiao... Aren't you going back to Rhine Apartments?" Qin Si still wanted to play games with her.

Zhang Yang and Gu San also looked at her.

The girl's eyebrows were quite exquisite, and no emotions could be seen in her expression. However, Ye Wangchuan keenly captured the haze in her eyes.

Qiao Nian rarely got angry.

She seemed offended this time.

Ye Wangchuan narrowed his eyes and stuffed the coffee back into Gu San's hand. He said to the girl very naturally, "Where are you going? I'll accompany you."

"There's no need..." Qiao Nian subconsciously refused. Halfway through her sentence, their eyes met. She retracted her gaze impatiently and rubbed her temples, seemingly compromising. "Okay."

An hour later.

The red-flagged black sedan pulled up in front of the hospital.

The license plate was an arrogant 'Beijing A.888888'. Just by looking at this license plate number, passers-by knew that the owner of this car was not to be trifled with.

Ye Wangchuan drove.

After parking the car, he unbuckled his seatbelt and got out first. When he walked around to help Qiao Nian open the car door, he saw Jiang Zongjin. He greeted him very politely, "Uncle."

"It's Wangchuan..." Seeing that he had come with Qiao Nian, Jiang Zongjin nodded at him as a greeting. He turned his head and waited for Qiao Nian to get out of the car. He immediately greeted her warmly, "Nian Nian."

"Which ward is Jiang Li in?" On the way, Qiao Nian called Jiang Li's manager and asked about his condition.

She received another message from Liang Conglin asking about Jiang Li.

She heard from Liang Conglin that Jiang Yao was looking for connections and wanted Elder Huang to take a look at Jiang Li. She called Nie Mi.

Nie Mi had just called her back five minutes ago, saying that Mr. Huang was out of town and would be back tomorrow.

After thanking him, Qiao Nian closed her eyes and meditated. She didn't speak along the way, her brows furrowed with impatience.

He could tell she was angry this time.

At the very least, when she heard from Jiang Li's manager that the accident wasn't an accident, Qiao Nian's face was filled with an unstoppable sharpness!

Jiang Zongjin told her what floor and number Jiang Li's ward was on.

Qiao Nian pursed her lips, took a deep breath, and strode towards the in-patient department...
